**MEN'S CURLING CLUB NEWS**

September greetings to members, past members and prospective members!

Now that winter is just around the corner according to the weather (and the weather-man), it's time to think of brooms, and hacks, and lost ends, and with snowy eyes write sorrow on the face of the Drawmaster.

The Executive has great plans for a gala season. The word is out that there are a number of prospective members.

Past members are heeding the call home and are raring to go. So let's get into the spirit early (not literally) and have a bang-up year.

Watch the "News" for coming events, and here's to Good Curling.

**CORRECTION:** Regarding an article several weeks ago on Swimming Awards being presented:- the name Charlie Kettle appeared; this should have read "Charles Kettle".

**NOTE TO 5 PIN BOWLERS**

Applications being received for three 5 pin leagues:- Mens, Ladies, Mixed. Preference given to last years teams, entries accepted as teams or individuals. Bowling days as follows: Mixed - Monday and Tuesday nights, Men's - Thursday night, Ladies - Wednesday and Thursday afternoon.

Invitation extended to Schreiber residents to enjoy the comforts of the completely remodelled Terrace Bay alleys. New Bowlers as well as old timers are welcome. Don't Delay! If you are interested just call, Lew Edmunds at 3509. We welcome you.

an announcement regarding

**EXTENSION OF PHYSIOTHERAPY SERVICE**

On and after Monday, September 14, 1964, residents of Ontario are entitled, without charge, to medically necessary physiotherapy services received in the offices of registered physiotherapists in private practice in Ontario who participate in the extension of physiotherapy service administered by the Ontario Hospital Services Commission. The services must be prescribed by a duly qualified physician and performed by, or under the direct supervision of, a registered physiotherapist. A course of treatment may be for a maximum of three weeks unless the physician prescribes a longer period.

**HOME TREATMENT**

If, in the opinion of the attending physician, a patient cannot attend the physiotherapist's office, treatment in the patient's place of residence will be covered, but in such cases the physiotherapist may charge the patient, or patients, a total of \$1.00 per visit, regardless of the number of patients treated during the visit.

The main purpose of this additional service to patients is to make the most efficient use of available physiotherapy facilities. It is to be financed by Federal Health Grants and by the Province of Ontario.

Certain physiotherapy services are not available under this program. These services may be obtained through private arrangement with the physiotherapist.
