SOCIAL NEWS (Cont'd from Page 9)
each member bringing a different dish. Mrs. Tao leaves with her husband and family for Toronto where he is being transferred to the Rexdale office.

COUNCIL QUOTES (cont'd from page one) for employees.

Councillor Cavanaugh reported the School Nurse would be starting audiometer testing and wished a program from Council. Council felt this program should be established by the M.O.H.

A motion of congratulations was offered by Councillor Cavanaugh for the Chamber of Commerce who, through their lengthy efforts, had secured vastly improved radio reception for Terrace Bay. The long-awaited low power transmitter has been installed and could be tuned in at 1010.

Councillor Cavanaugh had completed his summary of job responsibilities but would retain them to include the proposed amalgamation of the Police and Fire Department. He strongly recommended this Council complete a work study in the fall for next year's Council to consider on their program. This became much easier to establish before the arrival of snow, simplifying the following year's planning. Reeve Heenan felt this to be the privilege of the incoming Council, but recommendations could be submitted.

A proposal to ditch the north side of Carriert Avenue was made by Councillor Fraser, thereby eliminating present flooding arose and undermining the embankment. Councillor Brown agreed.

WANTED - one second hand dresser, or a chest of drawers. Call 3509.

HUNTERS' CABIN FOR RENT - fully equipped hunting cabin for rent by day or week, at Gravel River. Write Box 307, Schreiber, or Phone 458 Sch.

DANCE CLASSES

Once again we remind parents that Mrs. Markall from the Lakehead Dancing Studio will again be available to teach classes in Terrace Bay IF SUFFICIENT REGISTRATIONS ARE RECEIVED.

It is hoped that a local dance group can be formed and a contract signed with Mrs. Markall, so that it is important for dancers to register immediately. To date, response has been slow and unless more interest is shown over the next two weeks, we will be forced to abandon plans for the classes.

If your are interested, register now at the Recreation Office.

BRIEF ART CLUB MEETING TO BE HELD ON FRIDAY, SEPTEMBER 18th. (all members are urged to attend if possible.)

SCHREIBER NEWS (Continued)
the Harry Martinsen family.

Ralph Morrill is in Terrace Bay Hospital. Mrs. Fred Harness & Mrs. A. Slater accompanied their aunt from England to Montreal where she took the boat and returned to Hamilton to visit relations.

Miss Margaret Foster of Fort William spent the weekend with her fiance Bill Woodrow. Miss Foster, formerly of Montreal, is now on the McKellar Hospital staff.
