Serving the district

October 1, 1964

COUNCIL QUOTES

Deputy Reeve V. T. Thompson presided in the absence of Reeve Heenan, when Council met Tuesday afternoon in the Municipal Chambers. Councillors Brown and Fraser assisted with the business at hand and minutes and correspondence were detailed by Secretary W.F. Strutt and Clerk W. Hanley.

An enquiry had been received about the price of the Town's spraying machine. Council noted their initial cost price, but declined further comment pending investigations into the purchase of a larger machine.

Councillor Brown displayed drawings of signs the Police Department had requested. He was advised to confer with the suppliers of School Patrol equipment and to otherwise order as required. In the absence of the Roads Superintendent, Councillor Brown had investigated the problem of adequate drainage on Cartier Ave.

Expenditures at the Snack Bar were discussed at length, it now being the responsibility of Council. Councillor Thompson will look into several items before a profit and loss picture could be presented.

The work hours in the Fire Department were questioned by Councillor Brown and Councillor Fraser, will deal with both this issue and that of the Department's sign.

Replying to enquiries, the Deputy Reeve stated all municipal employees were hired on a year's probation.

Councillor Brown was authorized to purchase as required, uniform and equipment for the new Constable, Peter Cuff.

Terrace Bay will be presented at the Northwestern Ontario Municipal Association Convention in Atikoken, October 1st to 3rd, by Councillors Thompson and Fraser. This motion was approved before Council dispersed.

DOUBLE-DECK LONDON BUS HERE SATURDAY

The red London England double-deck bus on tour of Canada will stop over-night at the Terrace Bay Motor Hotel on Saturday, October 3rd. Special arrangements have been made for fuelling at Island Service Station.

The double-deck bus with its crew of four are on a Cross-Canada Publicity tour from Montreal to Vancouver for the British Travel Association.

NATIONAL FIRE PREVENTION WEEK

Next week, from October 4th to 10th, will be Fire Prevention week. **FIRE IS SO FINAL.....**

ROYAL WINNIPEG BALLET COMING

Terrace Bay and North Shore residents will have the opportunity to see Canada's top stage performance when the Royal Winnipeg Ballet perform here on October 20th. This internationally famous group of over thirty dancers have won acclaim the world over as one of the most exciting and modern ballet companies ever, playing to sellout crowds in Europe and the United States. Performances in New York, the centre of entertainment, brought such raves from the New York Harold Tribune as: "The most engaging ballet group functioning this side of the Atlantic. They can dance"; and from Time Magazine, "One of the most reassuring masculine presences on the ballet stage to-day". The Boston Traveller hailed it as: "The most excitement since the Moiseyev (famous Russian company) was here and the most enthusiasm from an audience". It will truly be an evening that no one can afford to miss; and at prices far below those usually charged.

Our good fortune in having the group here is caused by the travel schedule which calls for a stop-over in this area between performances in larger centres. Cost for the event, while still quite high, is much lower than usually charged, but will cover expenses for travel and accommodation between shows in larger cities. It provides a tremendous "break" for Terrace Bay.

The event is being sponsored by the Kiwanis Club, in co-operation with the Recreation Association and Schools. Contact details calls for "a full performance" so that we will see a programme that only those in large centres usually have the advantage to attend, and for a far lower admission.

DON'T TAKE A CHANCE ON MISSING IT !!

Tickets will be on sale shortly. Get yours early, as there will be a limited number, due to seating restrictions in the auditorium.

CENTENNIAL GRANTS FOR 17 MUNICIPALITIES

Playgrounds, town halls and public libraries were favored as centennial projects by most of the seventeen Ontario Municipalities awarded Federal-Provincial grants this week.

Up in the Northern Ontario community of Wawa, the Township of Michipicoten plans a public library and the Federal and Provincial Governments will each put up \$4,439 towards its over-all \$24,900 cost.

The projects totalled \$444,137 and of this the Ontario and Federal Governments will each put up \$88,419, it was announced by Hon. Maurice Lamontagne, Secretary of State and minister responsible for Centennial Affairs.
