

FIRE PREVENTION WEEK

FIRE Public Enemy No. 1--

stamp it out!

Take time for home fire prevention

Check

Around the **STOVE--**

**ELECTRICAL
OUTLETS**

APPLIANCES

HEATING SYSTEM

GARAGE- ATTIC

WINDOWS

DOORS

Look at your **ASHTRAYS**

Are they large enough? . . . shaped to prevent cigarettes from rolling out?

How about those stacks of magazines, old clothes, furniture, toys, etc. . . . must you keep them?

They're a breeding place and fuel for a **FIRE!**

Let's not forget...

YOUR FIRE SERVICE

can be of greatest service by preventing your fire . . . instead of fighting it!

. . . by helping you to become aware of fire hazards in your home and on your job before they become fire emergencies.

YOUR help is needed!

On call-- 24 hours of every day
