

BADMINTON IN FULL SWING (Cont'd from Page 2)

playing nights, there will also be club socials, club tournaments, intra-town social tournaments and the final North Shore Badminton Championships, to be held this year in Terrace Bay.

Let's get things off on the right foot by attending all sessions, starting now.

ARENA OPENING

Tentative plans for the opening of the Arena ice season are for operation to begin the week of October 19th. A definite starting date in this week will depend on weather and freezing conditions. The opening date has been advanced slightly because of the earlier commencement of the hockey season this year. The Marathon Senior entry and the Schreiber-Terrace Bay Junior entry will begin games early in November, and both teams will be using Terrace Bay ice for the majority of their home games.

Curling ice will be available the week following the arena opening.

JUDO CLASSES

Under the instruction of Police Constable Peter Cuff, in co-operation with the Recreation Association, judo classes will be held in Terrace Bay for the first time. The first set of classes will be confined to a group of twenty-five High School boys, already selected. Depending on the results of this first course, future courses may be opened to the general public.

Mr. Cuff has had extensive experience with judo and instructional classes in the past, having run courses for the London, England police force. He is the holder of a Brown Belt which leaves only one more step to the highest qualification in the judo field, the Black Belt.

Classes will begin on Saturday, October 10th.

MEN'S CURLING CLUB NEWS

The Men's executive met at the home of R. Ostling on September 17th, making tentative plans for the coming season. These will be discussed at the Semi-Annual Meeting, to be held Tuesday, October 20th, in the Curling Lounge.

The resignation of Bob Forbes as Treasurer, was accepted with regret, and J. Caccamo was appointed to this office.

Interested parties are asked to contact the President, R. Ostling with respect to rental of the Lounge and ice facilities.
