## Holland Will Honor Liberating Soldiers

Ross Hill, CPR signal supervisor in Schreiber, will be among members of Lincoln-Wentworth Regiment (part of 10th Canadian Infantry Brigade) making the trip back to Bergen Op Zoom, a town in Holland which they freed from the Nazis 20 years ago.

A prized memento of that occasion is the letter sent to commanding officer Lt. Col. G. D. Wotherspoon, DSO, from the burgomaster, read as follows:

"On behalf of myself and the citizens of Bergen Op Zoom we extend to you our most grateful thanks for the liberation of our town from German occupation. We deeply regret that circumstances do not permit us to extend to you and your gallant men the hospitality which I am sure is the sincere wish of every loyal citizen of this town. but nevertheless we hope that you will accept this small

gift of wines and spirits, which was all that was left by our oppressors, as a token of our gratitude."

During successive years, invitations have been extended to the regiment to be guests of the town to celebrate the occasion but this year is the first time enough members are free to go.

The party of 50 will fly from Canada Oct. 19 to take part in the many celebrations planned in their honor. Included will be a commemoration service at the Canadian War cemetery, visits to nearby battlefields, civic receptions and banquets.

The group is also invited to be guests of the town of Crowborough in England, where the men, while posted there, gave the town's children a bountiful Christmas party during the days of strict rationing there.

#### MOOSE HUNT TO DATE DISAPPOINTING

The Dept. of Lands & Forests at Geraldton report that disappointed and wet moose hunters are a common sight in the District. The moose are here, but constant rain, snow and cold have plagued hunters, unlike last year when, if anything, it was too hot and dry in the bush. The present mild spell will, we hope, continue into a long, pleasant Indian Summer.
