1965 YOUTH CONFERENCE IN TERRACE BAY

The Terrace Bay Teen Town has just recently received word that the 1965 Annual Northwestern Ontario Youth Conference has been awarded to Terrace Bay. This conference has become the highlight of the year for area Teen Towns and in most important training aspects for teen groups everywhere.

The 1965 Conference will be held April 15th to 18th, during the Easter holidays, and presents a great challenge to the local club members and to the community as a whole.

Over the next few months, the Terrace Bay Teen Town will be appealing to the community for assistance with billets, fund raising and other aspects of the conference. We sincerely hope that you will help us provide a top-notch conference. Over 150 out-of-town delegates will attend and our combined efforts will offer a worthwhile program.

ARENA SCHEDULE

A finalized arena schedule for the season has not yet been settled, so that events over the next week will not necessarily be at regular times. When figure skating and hockey time schedules are drawn up, the regular weekly list of events will be available, so that we can once again send out monthly schedules.

Copies of the weekly schedule are posted on the bulletin boards at the schools, Recreation Centre and the Arena. Please consult these.

God has so constituted our nature that we cannot be happy unless we are, or think we are, the means of good to others. We can scarcely conceive of greater wretchedness than must be felt by him who knows he is wholly useless in the world. Erskine Mason

The Royal Winnipeg Ballet appeared in Terrace Bay through a community-wide effort of Kiwanis, Recreation Association, Schools and strongly supported by Kimberly-Clark Corporation. The Kiwanis Club hosted a reception for the entire company, concluding their Tuesday evening performance.
