BROWNIES PRESENT NYLONS TO AUXILIARY

Three Brownies, accompanied by District Commissioner Mrs. S. Mikus, visited the Afternoon Branch of the Ladies Auxiliary, Monday in the Community Church to present to them seven boxes of nylons they had collected last Saturday. This was a drive for old nylons which the Ladies Auxiliary will now ship to the Rehabilitation Centre in the Lakehead for stuffing of Christmas toys. The Brownies making the presentation were Valerie Larson for the first pack, Patsy Megraw for the second pack and Geraldine Belliveau for the third Terrace Bay Pack. Mrs. Mikus presented the collection made by the two Schreiber Brownie Packs. On behalf of the Ladies Auxiliary, the Brownies were thanked by President Mrs. K. Graham.

LADIES CURLING CORNER

Curling for ladies got underway with a social get together on Tuesday evening. Various styles of curling were seen amidst laughter and groans as the muscles were once more being exercised in throwing of stones and the swishing of brooms.

After a brief session on the ice the members assembled in the lounge where rinks were drawn up with the number system being used to assign each

curler to a rink.

S. Duquette, draw chairman, explained the schedule for the coming season with play to commence on Thursday.

Lunch was served by President J. Coons, H. Lafontaine, and S. Duquette.

Afternoon curling members met on Wednesday under the chairmanship of Mrs. J. Coons. Teams were drawn up and method of play decided.

Rink personnel will be published at a later date.

Any member from last year who has her name on a locker other than a skips is kindly requested to remove it. There are not enough lockers available for individuals. Each locker must be shared by a rink to satisfy as many members as possible.

Althea Fraser, your etiquette chairman will listen and try to assist you in any curling problem you may have this year, so you may enjoy good curling and good sportsmanship for the coming season.

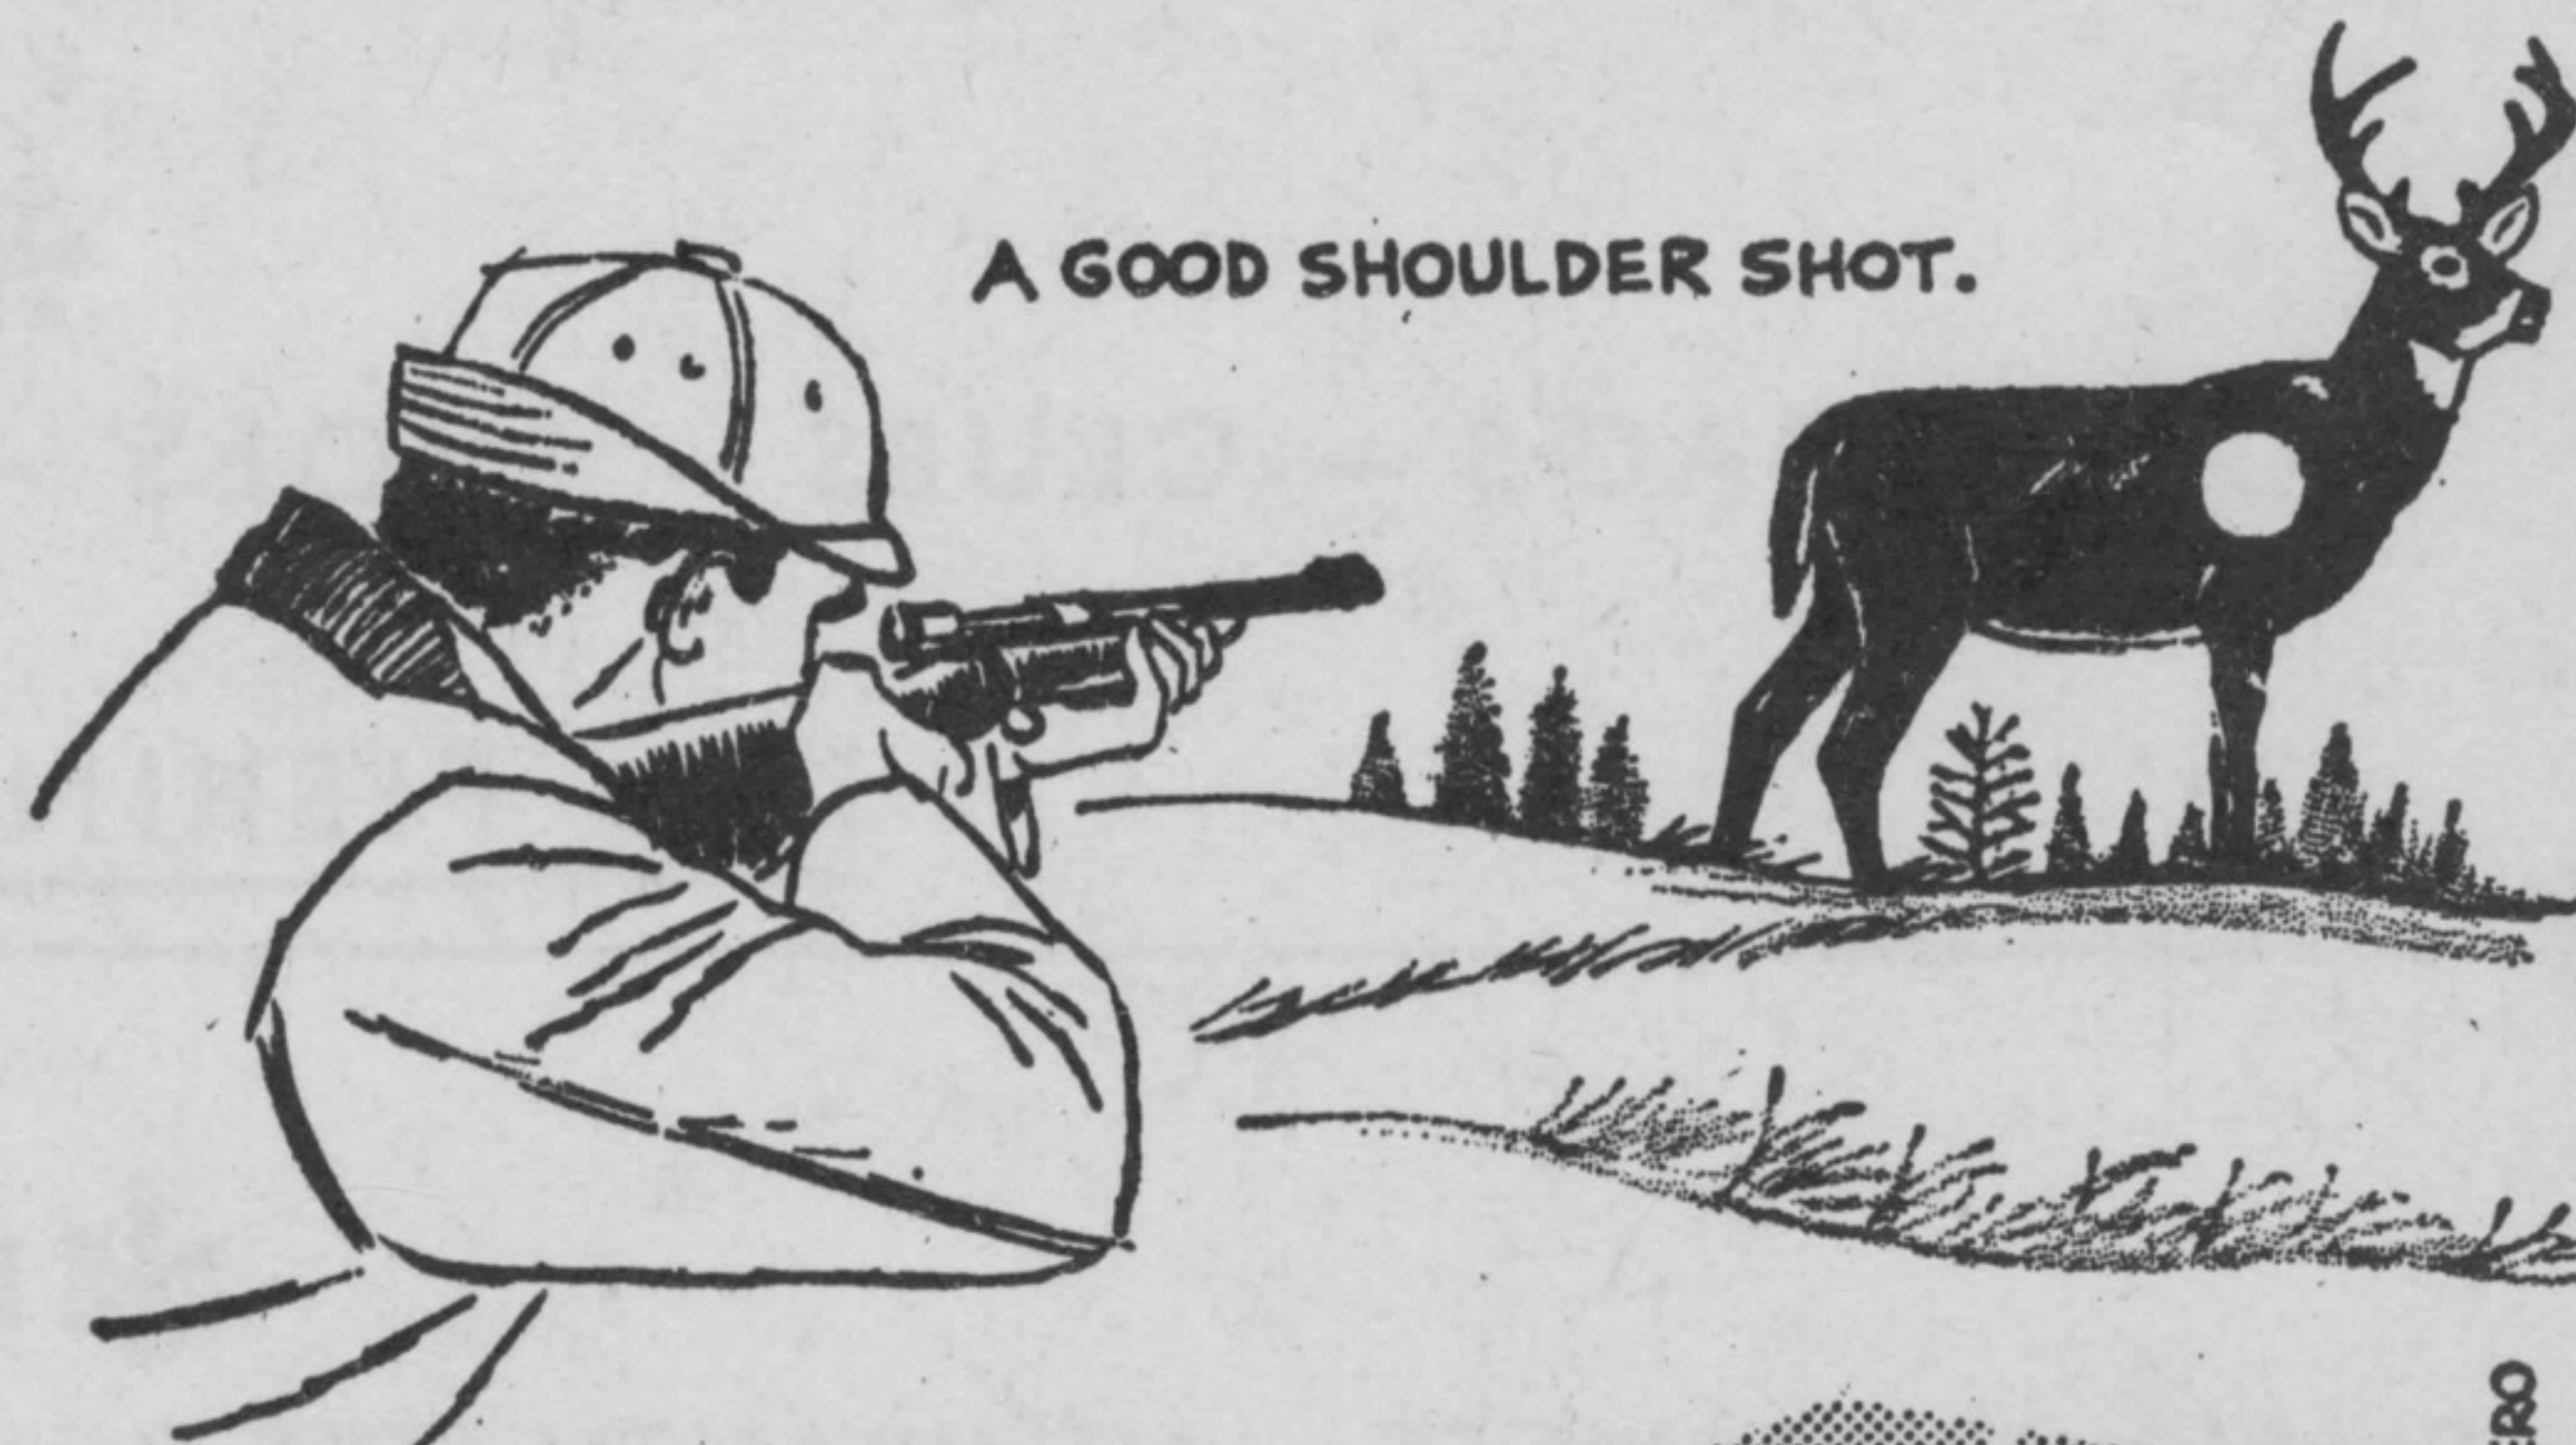

ONLY THIRTY SHOPPING DAYS UNTIL XMAS

When we hear about Santa Claus Parades in different parts of the country and see pictures of holiday decorations in different parts of the country it makes reminds us that Christmas is just around the corner so to speak. As usual in this district we are a little slow in getting into the spirit of things somehow. One of these days the colored lights will be examined and the blanks filled in - home decorations will start to appear and a holiday look will be apparent. In the meantime we keep wondering from day to day whether or not we will have the sparkle of snow (not cold weather mind you) to brighten things up.

The right spot to place your aim to get your game

A GOOD SHOULDER SHOT.

A RUNNING RUMP SHOT AIM AT BASE OF TAIL.

A PAIR OF 8X OR 9X BINOCULARS ARE A MUST. TO GET YOU WITHIN SHOOTING RANGE. IT TAKES CAREFUL STALKING.
