LEGION INSTALLATION (Continued from page 7)

President Joyce Mercier, 2nd Vice President, Polly Daniels, Secretary Jean Fisher, Treasurer, Stella Gusul, Warden Dorothy Coupal, Welfare Clare Lawrence and executive committee: Ways and Means Dorothy Ballentine, Membership Minnie Woodruff, Social Lise Bougie, Sick and Visiting Bea Fawcett, Publicity Doris Marcella and Assistant Warden Sadie Benko.

Comrade Ginn brought up George Daniels and Doris Marcella individually to install them as Past Presidents, thanking them for their past year's work and charging each with a continuing responsibility to his Branch.

In her acceptance of office Mrs. Solly thanked her membership and hoped to fulfill her duties. Comrade Solly, on behalf of his new executive, thanked the outgoing officers for a truly tremendous job and, with the promise to maintain those standards.

Comrade Ginn was re-nominated Zone Commander and there was a general discussion on the organizing of the Ladies at a zone level. Three delegates George Daniels, Cy Marcella and Lorne Vezina were appointed to the Zone meeting in Marathon next January.

Members voted to award Meritorious Service Medals to Comrades F. Ginn and P. Coupal for their untiring efforts in building and keeping open the Legion Hall.

Preceding the installation Mrs. Doris Marcella

presented a cheque for \$300. on behalf of the Ladies Auxiliary to Comrade G. Daniels, thanking him and his executive of the past year for their kindness and co-operation. Comrade Daniels, in his acceptance, expressed the appreciation of the Branch to the Auxiliary for their moral and financial support.

A social evening and buffet luncheon concluded the evening.

PARENTS ASKED TO CO-OPERATE

At the Town Hall meeting held prior to the election Councillor W.E. Cavanaugh made a plea to all parents to contact the local Police Department if they become aware of any trouble among teenagers or even have any suspicion of trouble. He and the Police Department are most anxious that the good reputation of our youngsters and our town be maintained.

CERAMICS EXHIBITED

An exhibit of ceramics was shown Friday evening and Saturday afternoon and evening in the Art Centre of the Recreation Centre. The display was the products of two courses taken this Fall, one for the children and one for adults under the instruction of Mrs. Mary Middaugh. The results were most impressive from both classes with variety of colors and textures created through glazing, underglazing and degrees of firing in the kiln, besides the imaginative forms of the artists.

Each course was a five week session which included materials and glazes and firing and taught the coil method, pinch, slab work and sculpture clay, modelling, free form and design. They anticipate having further classes in the New Year.

Approximately 150 persons attended the two day Show which was held in conjunction with the Art Club and their display in their permanent Art Show.

Sandra Ziegleman celebrated her fifteenth birthday Sunday, inviting her many girl friends in for an afternoon of records and party lunch.

Lynne Morres has returned home to her family, having completed her course at (Continued page 10).
