**MRS. JUDGED HONOURED ON LEAVING**

Thirty old friends and neighbours gathered in the home of Mrs. Robert Winters to say farewell to Mrs. Jack Judge - long time resident.

A social evening was spent and Mrs. Judge was presented with a money corsage.

**ZENITH MINES - OLD TIMER**

Some lively discussions have been enjoyed by Eddie Gerow and John Halonen since the latter discovered that Eddie worked at the Zenith Mine in 1901. The Zenith is now known as the Zenmac and John is in charge of crew engaged in re-opening the property, northwest of Schreiber.

Now the men go in by car, truck or tractor but when Eddie, with Ed. MacKay of Rossport, and others, set out for it from Rossport, it was on foot and in snow and bitter weather. The gang of eighteen cut a trail of about thirteen miles in from Selim, with almost the same number of lakes and ponds.

Eddie says the mine, he thinks, must have been worked in the 1880's for a derrick and bucket were still there.

The gang were in a race against the Spring break up to get the ore out to Selim by sleighs were it would be loaded on scows, and they cobbled it in cotton bags of 70 to 80 pounds.

Frank Dampier was the powder monkey then and Tommy McCuaig the camp cookee. In 1902 both Eddie and Tommy entered the CPR service as train men--having had quite enough of bush work in any form.

**LOCAL STORE MAKES IMPROVEMENTS**

Caccamo's Limited in Terrace Bay have recently installed some bright new tile in their store. It is amazing how a bright floor can make a room look larger, lighter and much more attractive all round.

**CHRISTMAS GIFTS FOR CHILDREN**

Make sure that the gift you send to a small child is suitable to his age. It could be dangerous to give a three or four-year-old city youngster a sled or wagon which he would use on the sloping side drive of his home. Many young children have died when they have slid across the sidewalk into the path of a vehicle. A gift for the child in hospital should be carefully chosen, with the sanction of his doctor or nurse. Dolls and soft cuddly toys would probably be permitted but any kind of noise maker or food could be on the banned list.

**CARD OF THANKS** - Before leaving Schreiber and its wonderful people I would like to express my gratitude for the many kindnesses shown to me during my stay here. Special thanks to Mr. and Mrs. Bob Winters who have made "a home for me away from home". I will always cherish my memories of Schreiber and its people.

Mrs. J. Judge.

**PUBLIC SCHOOL BOARD MEETING**

Alec Gordon was re-appointed representative for the Public School to the High School Board. The Board requested Mr. Gordon to attend their meeting in either January or February.

E.M. Ermel, principal, reported an enrolment of 226 with November attendance at 97.26. He also described books and film strips on order for the school library.

School Inspector R.A. Steele wrote requesting an early meeting in the new year with the Board.

After some discussion on salaries for the Board it was decided to wait for fuller information. Accounts for salaries and maintenance amounting to \$5,537 were passed for payment.

A lengthy discussion was held on proposed renovations to heating plant and lighting in the school annex.

The Christmas communion service was celebrated in St. Andrew's United Church on December 13. Rev. D.F. Muldrew received into membership Nola Fummerton, Roberta Milani, Karen Lidkea, Helen Williamson and Judy Walker. It was announced the Christmas Eve Service will be held at 10 P.M.

Mrs. Robert Winters was in Winnipeg last week for medical treatment for a foot ailment.

Mr. and Mrs. Hubert Weaver are going to Tuscon, Arizona this month in the hope the climate will improve Mrs. Weaver's health.

A drive for used postage stamps to augment funds of the Canadian Bible Society is planned in the United Church. The stamps should be taken from the envelopes with half-inch border and may be taken to Rev. D.F. Muldrew after Christmas for packaging.
