Mr. Ray Kenney, Principal of St. Martin's Roman Catholic School in Terrace Bay is pictured above with representatives of each grade and the ton of skates, clothing, toys and candy they gathered for shipment to Red Lake.

Father G. Benoit who serves innumerable Missions, large and small, within an area up to 100 miles north of Red Lake, made a plea for good used skates in his enthusiastic annual letter. St. Martin's were pleased to add twenty-five pair of skates in good condition, along with serviceable warm clothing, toys and a large box full of candy. The shipment was made through the courtesy of Harvey Smith, Lakehead Freightways and Coin Freightways.

CHRISTMAS PRINCIPLES (Continued from page 2)
in one's own community, but in spirit and sometimes in action extending to suffering humanity anywhere in the world.

It means resisting every inclination to prejudice against other human beings, whether on the basis of nationality or race or color or religion or social standing or education.

It means forgiveness of enemies, no matter how deep the wounds or how lasting the injuries they may have inflicted.

Only upon the fulfillment of these principles have we any right to celebrate the birth of the Saviour.

A Blessed Christmas and Happy New Year to all.

(V. Rev.) E. A. Gallagher, V. F.
