**COMMUNITY CHURCH ANNUAL MEETING**

The annual congregational meeting of Terrace Bay Community Church was held on Sunday evening when yearly reports were presented by the various organizations within the Church.

A new Constitution was adopted with minor changes and the congregation voted to increase the yearly donation to Mission work.

The Board of Stewards and the Minister expressed satisfaction in the way church affairs had been conducted in 1964 and the Minister thanked all organizations for their fine efforts and the leadership given.

The Women's Auxiliary showed renewed vigor, both in attendance and financially. A fund is being established by them toward the time when a Manse is built.

Special note was taken of two new committees-- the Altar Guild, under the convenorship of Mrs. A. Farrow, whose task it to take care of the Communion Vessels and to beautify the Sanctuary and the Christian Education Committee, who gather together and oversee all Christian education work among the young people and children of the congregation and provide a source of help when required by the organizations of the Church. The Altar Guild will welcome floral donations for the Sanctuary.
