A very interesting Bible Study was conducted by Mrs. Isobel Ferrier dealing with Proverbs 35. Written mainly by Solomon it showed the very high standard set some 2400 years ago for women. A eulogy of a good wife, it closed with 'give her the fruit of her hands and let her works reward her.' Mrs. Ferrier closed with prayer and was thanked by Mrs. Hopper. Mrs. Emily Lohr was convenor of the lunch.

MEN'S CHORUS DONATION RECOGNIZED

The following letter was received by the Terrace Bay Men's Chorus recently.

"This will acknowledge, with great appreciation, the donation to CARE of \$60.00, proceeds realized from the Concert presented in November by the Terrace Bay Men's Chorus.

Will you please express my deep gratitude to each member of the Chorus. The large amount realized is a testimony to their talent and a tribute from an appreciative audience.

Again our thanks, for your concern and support of CARE's effort to help those in need overseas."
