NEW LIGHTS INSTALLED IN PUBLIC SCHOOL

Chairman of the property committee, J. N. Ross, reported at the public school board March meeting that new lights have been installed in the four classrooms in the school annex. From information received from Mickleston and Fraser, the Board believe that with minor adjustments the lighting in the new school will be up to standard.

In reply to the Board's inquiry regarding a report of health inspections by nurse, the Public Health Unit stated they do not send such reports to schools.

Accounts and salaries amounting to \$6,347 were approved for payment.

Principal H. M. Ermel stated the enrollment is now 226 and February attendance was 97.8.

A new salary schedule, effective September 1st, was presented and will be dealt with at a special meeting before the end of this month when the 1965 budget is set.

The Board expressed their pleasure in having W. G. Davis, Minister of Education, send a personal letter of congratulation to W. S. Harris, their secretary-treasurer, commending him on his long service to the board and in the field of education.
