LOCAL RINKS TOP LADIES BONSPIEL

Lady curling enthusiasts gathered from many points in Northwestern Ontario to fill the thirty-two rink limit set for the Ladies Bonspiel held over the weekend in Terrace Bay. Piped onto the ice Friday morning by Walter McMicking in full Scottish regalia, the ladies were welcomed by President Jayne Coons who threw the first rock. A busy schedule was maintained from early morning till late into the night for the three days to complete the play and Sunday afternoon was highlighted by the presentation of awards and the jovial repartee of good sportsmanship.

The Nesco, or Northern Engineering Supply Co. Trophy, with individual trophies, was accompanied by train cases to First Event winners Ann Latour with Olive Kross, Bea Fawcett and Dora Trach. Runner up in this event and recipients of collapsible umbrellas was the Betty Bouchard rink, also from Terrace Bay, with Louise Gavin, Bev Weaver and Fran Gerow. Third place went to the Larry Norris rink from the Port Arthur Country Club with Ann Johns, J. Reid and I. Riddell. In fourth place was the Jean Dudgeon rink from Marathon comprised of Norah Kelly, Irene Unger and Audrey Allan.

Dene Clancy came in with a raise to lay one with Porter having three counters in the house, taking the Second Event by ten to eight and with this was piped off the ice to the tune of "Clancy Lowered the Boom". First place prizes were electric mixettes to the rink of Dene Clancy, Evelyn Shivas, Marilyn Chisholm and Donna Josus of Terrace Bay. Their runner-up was skipped by Jean Porter of Atikoken with a rink of E. Rochailo, R. Dayman and T. Shannon. Third place winners from Chapleau were popular Min Blackburn with W. O'Hearn, C. Lalonde and C. O'Brien and in fourth place was another Terrace Bay Rink skipped by Heather Lafontaine with Vivian Gresdal, (Continued P.12)

GOLF NEWS

With the feeling of Spring in their bones, the executive of the Aguasabon Golf Club held a meeting on Wednesday, March 24th. Thor Olson presided for Jack Thomas who is away on vacation. Also present were Dave Desrosier, Jack Phillips, Al Pattison, Ross Mitchell and Joe Adamo.

A budget for the year was submitted but, after some discussion on further expenditures anticipated, was shelved until next meeting.

The Club House was also discussed and it was deemed necessary to first instal water, sewerage and septic tanks as soon as possible. Costs for this were estimated in the neighbourhood of \$3500. Since this expenditure is a must it is quite likely that the amount will have to be included in this year's budget.

Thor Olson also mentioned that plans and costs of the Club House should be ready for the general meeting. The members then will have an opportunity to voice any opinion they may have regarding the construction.
