The Sea Cadets in Terrace Bay wrote to Reeve Adamo seeking assistance from Council in the purchase of ceremonial equipment. Though admiring greatly the work done by this group for the youth of the community, Councillors could not justify a purchase of this equipment. They chose instead to make a grant of \$150. for the furtherance of the Sea Cadet Corps in Terrace Bay.

An irate citizen wrote to Council, complaining of the snow pushed or blown by townsite crews onto his landscaped lawns. This snow, containing sand and salt, did tremendous damage to the lawn, necessitating re-seeding. Councillor Thompson remarked the complainant was most conscientious and had done a good job of his property and the adjacent highway property. However, Councillors agreed they could not be held responsible and could not reimburse for the cost of trucking away this snow.

Replying, the Town's solicitor informed Council that Sunday movies come under the Lord's Day Alliance Act, and permission could not be granted until it was submitted to the voters for their approval. The matter will now remain in abeyance until the yearly election when a plebiscite will be presented.

Cpl. Duncan of the Schreiber Detachment, O.P.P. gratefully acknowledged receipt of \$125 for the Transient Fund. A refund in the amount of \$12.37

was received from Hydro for the 1964 billing, to the Town. Recreation account in the amount of \$6,077 for March was passed for payment.

Reeve Adamo reported attending a meeting last Saturday in Nipigon with Secretary W.F. Strutt and Clerk W. Hanley in connection with the hiring of a district Assessor. He stated he would continue his investigations.

Councillor Brown reported receiving a letter of resignation from Constable John Warfield and recommended both Constables be given letters of recommendation. Applications were being received in answer to their advertisements for two Constables. At present Councillor Brown was attending to the Reeve's instructions to make arrangements to accommodate the Police Department. He forwarded a complaint received during the past week, regarding the parking of a trailer truck unloading at the rear of the Liquor Control Board Store. This was extremely hazardous in obstructing the vision of traffic incoming from the Highway, particularly with children running out from the adjacent passway.

Council had been assured by Supt. Erickson of the Ontario Provincial Police that, in the event there was no new Constable hired before the end of the month, his Department would service the town on a temporary basis until the position was filled.
