

CHAMBER OF COMMERCE (Continued from P.11)
rate structure accepted lowered dues as previously announced—retroactive to January first of this year. The president noted that, though funds to operate had been necessary to start, it was equally important to have a larger participating membership.

Comments were expressed by members on daylight saving, the Centennial project, a sign for the swimming pool and another to indicate when it was open, before the general membership retired.

A Council meeting of the Chamber concluded the evening's program. Correspondence with the Lakehead Chamber of Commerce concerning the Ontario Chamber of Commerce meeting was read and the local Chamber decided to have them act as proxy on their behalf.

A suggestion was put forth to have signs erected at the Mill road indicating directions to the business section of town.

The president indicated he would attend a Centennial conference in Marathon on Friday and on Saturday he would attend a meeting of Lake Superior International Highway Association in the Lakehead. Money was allotted for printing a townsite map chiefly for tourism. These would be available in stores and centres likely to receive inquiries by tourists.

Mr. Forbes Cruickshanks was named liason officer between the Terrace Bay Kiwanis Club and the Chamber of Commerce.

LADIES FASTBALL

Any ladies who are interested in playing fastball this year are welcome to register. We have had well over 30 grade school girls (over 12 years of age) who have registered now and we would like to see a few mothers playing fastball with them. This will not be a highly organized league, nor will it entail many scheduled games. Come out and give it a try. You may register at the Recreation Centre or call 3542.

MINOR LEAGUE BASEBALL-FASTBALL

A meeting for all boys 10 to 15 years of age will be held on Sunday, May 23rd at 2 P.M. at the Arena. Interested coaches and umpires are welcome. Films will be shown on Fastball and Baseball. Any

MEN'S SENIOR FASTBALL

There was an organizational meeting last week, and a new slate of officers was elected for the coming season: President - G.Crandlemire, Vice-President - J.Crandlemire, Treasurer - B.Lundberg, Secretary - G.Calder and Publicity - T.Costa.

A lengthy discussion took place in regard to the possible amalgamation of Schreiber Fastball League and the Terrace Bay Fastball League. It is quite likely they will play an interlocking schedule between both communities. Representatives from Schreiber were present at the meeting and were in favour of the interlocking schedule.

Three groups that have stated their intention of fielding teams for this season are--Costa's, Kenmac's and Osmar's. A general meeting has been called for Thursday, May 13th, 7.00 P.M., at the Recreation Centre, in the small meeting room. All players, coaches and umpires are urged to attend.

CHALLENGE BALL GAME (Continued from P.1)
