LOCAL STUDENT WINS FIRE PREVENTION POSTER CONTEST

District students, and particularly students of St. Martin's Separate School in Terrace Bay, did extremely well in the District Forest Fire Prevention Poster Contest sponsored by the Dept. of Lands and Forests.

Many excellent and original posters were entered and out of twenty-one prizes and one honorable mention, eight went to Terrace Bay and Schreiber students.

David Cruickshanks, a St. Martin's School student, won first prize (see above) for his poster, the original of which was artistically colored in shades of brown and red with black lettering.

George Dashkewytch of Terrace Bay, Lloyd Ralph of Schreiber Public School were among the top seven contenders while Colleen Kenney, Lorraine Belliveau, Ronald LaBelle (Schreiber), Antoinette Desaulniers and Jack Cruickshank all were given an 'honorable mention'. Other prizes went to students of Longlac, Hillsport and Geraldton schools.
