TOWN TOPICS

CITIZENS OF TERRACE BAY

This is a preliminary organizational call to every man, woman and child in our community to start now to prepare for the biggest and best birthday party of our lifetime!

Canada's 100th birthday celebration will start on January 1st, 1967 and last for twelve months. To make certain that our people are given the opportunity of taking full advantage of this historic celebration each organization in town will, within the next two weeks, receive notice to name a delegate who will attend a meeting and become a member of a Centennial Committee.

A notice of the date of this (open to everybody) organizational meeting will appear later.

W.E.Cavanaugh,
Chairman, Centennial Committee

GOLF NEWS

Last Sunday saw the termination of this year's first golf tournament, sponsored by Carlings. The winners were - Low Net, Dave Whalen - 2nd low net, Rev.Muldrew - 3rd low net, Don Hencher. Low Gross, Frank Secheski - 2nd low gross, Len Swerhun - 3rd low gross, A.Berndtsson. continued

All prizes were donated by Carlings through their representative, Norm.Berrington.

Last year Dave Whalen and Steve Smith stood out as the top golfers in Terrace Bay. Dave, straight and accurate down the centre is also proficient with the short irons and putter. Steve is undoubtedly the longest ball hitter in our district. With the long holes in our course Steve is going to be tough to beat. However, Steve and Dave are going to have competition in the near future, judging from the remarkable progress made by quite a few who took up the game last year.

Emo, our Pro, has been having trouble with the weather and hasn't been able to fulfill his program in completing the last two holes. The fairways and greens are ready for seeding and should be able to seed this week and they should be ready in July or early August.

We are happy to report that membership is now over 170 and should reach 200 by next payday.

There is some talk of the ladies forming their own club. Such a move would assist the beginners a lot by forming groups who would have instruction at economical prices. Emo is quite willing to give group lessons and we are certain that many would be interested.

Golf, despite its frustrations, is interesting and always a challenge. Some instruction, whether from a pro (preferably a pro) or more experienced player, is definitely a MUST at the beginning.

Once the rudiments of the game are mastered the game becomes interesting and progress more rapid.

We would like to remind all golfers (Page 7)
