

COUNCIL QUOTES

Terrace Bay Town Council held a special meeting Thursday afternoon to set the Mill rate for 1965. With an estimate of \$410,383 required and an income of \$73,497, there remained \$336,886.28 to be raised by taxation, as: General Residential 15.45 mills, commercial 18.31 mills, Public School residential 11.96 mills - commercial 13.28 mills, High School residential 18.43 - commercial 20.43 mills, Separate School residential 12.95 - commercial 14.38 mills, Town 19.89 mills. Total Public School mill rate residential 65.73 - commercial 71.96, Separate School residential 66.72 - commercial 73.06. Due rates of June 25 and August 25th were set with a fine of 1/2 of 1% levied per month on unpaid installments.

Councillor Cavanaugh requested general clearing of Lakeview since it would not be extended this year as anticipated and Councillor Brown was delegated to attend to this matter. Three letters were read, acknowledging complaint regarding the Department of Lands and Forests undeveloped property on Lakeview Drive. Councillor Cavanaugh reported men were now at work there, clearing the brush.

The Children Aid Society wrote with regard to office and home space in Terrace Bay, seeking a more central district location. The Superior Corps Sea Cadets wrote expressing appreciation to the Township for permission to parade last weekend, to the Police for their assistance on the Parade route.

Reeve Adamo reported to Council on his meeting with the Governor General and Mrs. Vanier in the Lakehead, remarking on their gracious manner and wonderful representatives of our Country.

The Reeve sought an appointment with Mr. G. Wardrope, M.P. for the coming week. Councillor Cavanaugh was appointed delegate to the Mayor and Reeves Convention in Kitchener. Reeve Adamo expected to be able to attend a portion of the Convention.

Councillor Brown reported a condition at the Cemetery which he felt necessitated having cribs made. A re-survey was proposed by Councillor Thompson to correct the situation, as he felt there should be adequate land available. Money had been allotted in the budget for a new road to the cemetery, Councillor Cavanaugh noted, and this should cover the re-survey as well.

A reply from Gibson Motors arranged for repairs or maintenance to the Police Cruiser to be handled by Mr. J. Adamo.

The new spray machine was reported on by Councillor Brown and a battery replacement will be ordered from the supplier. Councillor Brown made enquiries regarding the distance of parking allowed under the Department of Highways Act and this will be investigated.

HUNTER SAFETY CLASS

Part four of the Hunter Safety will be held Friday, June 4th, at the Recreation Centre, at 7:00 P.M.
