MESSENGERS" PICNIC LOTS OF FUN

The Messengers, the youngest group in the United Church, were delighted with the wind-up party planned by their leaders this year. They were taken on a hike to a play spot beside the creek running out of Cooks Lake. The road, never straightened to oblige cars, is a series of sharp curves around which, to any child, lies adventure. The youngsters' pleasure was typified in the remark of a small lad who after the affair said "Well! Here we are, back from OUR incredible journey."

Among the awards presented were--for perfect attendance--to Wendy and Debby Jones, Maureen Hencher, Bryer McKenzie, Debby Smith and Kathy Burns and others--for memory work-- were given to Jane Davis, Debby McCanna, Bryer McKenzie, Maureen Hencher, Lynn Drake .. Cont'd. P.9

Beaver Lodge #753, ladies auxiliary to the B. of L. F., welcomed their second vice president, Alma Nobel, on her official visit at a dinner meeting held in Mrs. Ted Wilson's home. Mrs. Paul Huminicki president, formally welcomed the guest. Miss Mary Cosgrove of Niagara-on-the Lake, was also a visitor at the dinner.

P. J. (Jim) McCuaig is in Toronto this week taking a course with Bell Telephone. On his return Jim will be a dispatcher in the Fort William Bell office. Jim's gain in promotion is a loss to the Schreiber High School Cadet Corp. for, as Lieut. Instructor, he has trained many corps here and last year was on loan by Bell to act as instructor at a cadet camp in eastern Ontario.

Mr. and Mrs. Russell Campbell are in Vancouver to attend the funeral of Stanley Sinclair, Mrs. Campbell's brother-in-law, whose death occurred on June 5. Mr. Sinclair recently retired from the RCN after serving 20 years and is well-known in Schreiber where he often visited before and after his marriage to Ruth Bolan. Ruth's parents, Mr. and Mrs. T. Bolan, are with her, having gone when they received word a few weeks ago that he was fatally ill.

Mrs. George Birch is in Cranmore, Alta. to visit her daughter Helen, Mrs. Paul Krizan and family.

J. D. (Jimmy) Bryson is a patient in Port Arthur General Hospital. Mrs. Bryson accompanied her husband who was driven up by Mrs. Jack Bryson.

UNITED CHURCH WOMEN MEET

The United Church Women held their last meeting before summer recess, starting with dinner served in the Anglican Church Hall and ending with a social evening.

Following dinner the members adjourned to their own Church Hall where Mrs. T. P. Whent presided for the meeting.

Mrs. Alec Gordon read the Scripture passage and Mrs. Bill Whent was pianist. A donation to the Senior Citizens' Home at Pilot Mound, Man., was acknowledged.

Mrs. Nelson Smith accepted convenorship of the summer tourist baking project which starts in July. Mrs. Forbes Macadam thanked those who contributed to recent quilts sent out by the sewing committee, adding that one was completed and another is in the making, for brides of this month.

Plans were made to serve two wedding dinners and receptions; Mrs. Bill Gerow will convene the first reception and Mrs. T. P. Whent the dinner, with Mrs. Oscar Laine and Mrs. Russell Macadam sharing convenorship of the dinner and reception for the second wedding.

Rev. McNally of Marathon sent a report concerning allocations. On motion it was decided that, as of now, the church dishes will not be rented for any private function, but will be rented to organizations. The church chairs will be subject to the above rental conditions, but may be loaned to any church member.

In the absence of Rev. Muldrew the morning service was taken by Chas. Pike and D. Hencher.
