

CUBOREE (Continued from front page)

Seeonee pack took the trophy away from Manitouwadge.

A tug-of-war was greeted with enthusiasm and encouragement from the rest of the cubs. Marathon Yibob pack edged out the Terrace Bay Mowgli pack in this contest. The trophy was presented to Marathon by Sam Baxter, district chairman.

The Manitouwadge pack were accompanied by A.D.C. Tom Warren and Lou Pelletier; the Marathon pack by A.D.C. John Greene, Harold Ross, Bill Springer and Ed Hughes; the Terrace Bay Pack by Paul Maleshewski, Clarence Rousseau, Cleon Smith, Don Teniuk, Paul Rochon and Miss Elainge Long. Schreiber pack were led by Jim Thomasing and Ray Cote. Arrangements for the occasion were made by group committee members Jim Smith and Edgar LeBlanc.

The Commissioner and leaders expressed appreciation for the yoeman service done by the many who drove the cubs to Schreiber, and to others who, at the last moment were requisitioned to assist with tests. Tests included physical, hopping, plank walking and somersault, 1st star test in road safety, showing principal points of compass, tying knots and explaining their uses.

Perfection is not the quality sought by the leaders but rather a spirit of determination, the ability to participate and co-operate; wholesome pride in a pack's win and--no small achievement at such an age--the attempt to harness boundless energy for a purpose.
