## GOLF TIP OF THE WEEK

### The Art of Chipping.

The high handicap player loses most of his shots on or around the greens. Faulty chipping is a major cause of much of this waste. One thing that can be extremely helpful in chipping -- is the practice of keeping the club close to the ground on the backswing, downswing and follow through. Try to make your chipping stroke much like the putting stroke. Picking up the club abruptly is the cause of most bad chips -- causing you to hit the chip fast or to top it.

Another flaw in chipping is selecting the wrong club. Too much loft should be avoided. High loft clubs will give you more back spin with little roll and less control. In chipping you want the ball to roll and this can be done much better with a 6 or 7 iron. Only constant practice and play will enable one to learn just how hard to hit chips in order to get best results.

Stand with feet close together, the weight evenly distributed and the hands slightly ahead of the ball at address. For best results, it is advisable to choke up about three to four inches on the grip. This gives greater control of the club by the hands. The chip shot should be mainly a hand and arm shot. There should be very little body motion.

## GUIDE ASSOCIATION MEETS

The June meeting of the Girl Guide Association was held at the home of Mrs. Alice Farrow, Mrs. Shirley Mikus, Chairman, opened the meeting and the minutes were read by Mrs. Betty Turner. The Treasurer's report was given by Mrs. Alice Farrow.

Two letters of resignation were read with regret, one from Commissioner Mrs. Mikus and one from Brownie leader Mrs. G. Desrosier. A letter from Polly Lake Camp Committee was read listing the work that has been done at the camp and explaining the needs for more donations and more work still to be done.

A division conference will be held in October and Mrs. Mikus suggested that we send one or two members from this Association. The Division Commissioner Mrs. D. Finch, of Port Arthur, will take over the duties of our Commissioner until a new one has been appointed.

Suggestions for Guide meetings included one that the Guides be taught national dances of other countries. Badge Secretary Mrs. M. Simmer reported ten badges passed this month. One Brownie Pack is in need of a Leader. Camp Convenor Mrs. A. Fraser reported the new Guide Tent has arrived. Several Guides will attend Polly Lake Camp this year while Valerie Ann Turner and Margaret Jean Wallin will attend an Inter-Provincial Camp at Lundar, Manitoba. Karen Moore will travel to Goderich, Ont. to attend a camp on Lake Huron.

A Guide cup and saucer was presented to Mrs. Mikus by the Guide Association at their last meeting. Mrs. Farrow served a delightful lunch at the close of the meeting.

The next meeting will be held in September at the home of Mrs. Hilda Hiebert.
