WILL YOU HELP US? - Your TERRACE BAY MEN'S CHORUS, which has been active for the past twelve years, will have to disband this year unless someone comes forward and offers their services as accompanist. Our future plans included having several of the choruses which will be attending the BIG SING in Fort William in 1967 participate in a concert in Terrace Bay the following day. If we are forced to disband we will be unable to give the people of Terrace Bay, who have faithfully supported us, the opportunity of hearing a massed choir of approximately 200 male voices. Two of our former accompanists have been high school students. If you are willing to offer your services or know of someone (Continued P.4)
