

CHORAL LEADERS COURSE (Continued from P.4) in all major cities across Canada, and accompanied British adjudicators across Canada in 1962. She is presently teaching singing in Winnipeg and many of her students are now professionally engaged.

Registration will be limited, so please be sure to notify the Recreation Office as soon as possible if you plan to attend. The fee for this course is \$2.00, and entrants will be received from all communities along the North Shore.

CURLING NEWS

At a recent meeting of the executive of the Men's Curling Club, Don Tees was appointed to fill the vacancy of Secretary. A Director will be appointed to take Don's place.

The annual meeting will be held on October 18th in the Club Lounge. We expect to have a good sports film for the stag which will follow the meeting.

We understand that ice will be available early in November and have scheduled the opening Mixed Turkey Bonspiel for November 12th and 13th.

Membership Chairman, Doug Knight, urges all curlers and prospective curlers to start making up teams for club play now--don't leave it until the last minute. We need new Skips and we hope we will have many new curlers. An interesting and varied schedule of events has been drawn up by the executive.

So--if you are interested in fresh air, exercise, good fellowship and good times--plan to curl. Membership application forms will be distributed early in October. - Jim MacDonald

GOLF NEWS

A meeting of the local club's Board of Governors was held on Sept.16th in the Recreation Centre. Jack Thomas outlined the progress on the new cottage and gave a detailed report on recent purchases in order to complete it. Plumbing, sewerage, lighting and heating should be finished in ten days. After this is done a work party will move in and should finish the cottage in a few days. Final expenditures for the cottage were approved.

The building of this fine looking and well constructed cottage, plus the fact that it is fully paid for is an outstanding indication of the progress and success of the golf club. The men who made up the work parties helped considerably in cutting down costs. A vote of thanks also to Harvey Smith, owner of Lakehead Freightways, who absorbed a

considerable portion of transportation expense on the cottage.

Further golf activities were discussed and it was decided to hold a fall handicap tournament on Sunday, Sept.26th. A handicap tournament puts everyone on equal basis and the less skilled have a good chance to win prizes. Let us make this event even better than the men's club championship tournament which was well attended.

Registration for the tournament should be made as soon as possible. The entry fee goes toward prizes.

Approval and final arrangements for the wind-up banquet on October 23rd were made and tickets will go on sale immediately. A considerable amount of expense is involved in putting on this banquet and the amount is based on a large attendance. Members are urged to keep this date in mind and guests are also welcome. This first wind-up will set a pattern for future years. When you consider the two hundred and twenty odd memberships and fifteen hundred dollars in green fees this year you can realize the success of the club and the tremendous recreation provided to this community. A celebration is definitely in order, so contact your friends and organize a party for a gala evening on October 23rd.
