

LEADERS NEEDED FOR BROWNIES

Mrs. Hilda Hiebert was hostess Monday as the Local Association to Guides and Brownies met. Chairman Mrs. Hazel Lang welcomed the ladies, and opened with the Guide prayer.

Secretary Mrs. Betty Turner read the minutes and a letter of thanks for a donation sent to the Polly Lake Camp Fund. The resignation of another Brownie leader emphasized the desperate need for more leaders. One Brownie Pack has been unable to start this fall, due to lack of leadership.

A Division meeting will be held in Nipigon during October. The Treasurer's report was read by Mrs. Lang. It was agreed to purchase Guide Handbooks for the leaders as Companies and Packs are low on funds. One new Guider uniform is to be purchased each year.

C.B.C. in Winnipeg will be contacted for the use of a film on Guiding shown on Television last summer. If this can be obtained it will be shown at the next Guide Banquet. A suggestion was made that Association members visit the Guide Companies and Brownie Packs during the year, further acquainting themselves with their work. Badge Secretary Mrs. Margaret Simmer reported nine badges passed successfully.

Ways and Means Convenor Mrs. Hiebert proposed an At Home Tea and necessary supplies will be ordered. Camp Convenor Mrs. Althea Fraser itemized camp equipment and a storage area for this equipment was located for her. The ladies were reminded to save old nylons for the next Brownies' drive. Mrs. Lang urged everyone to think about the elections in January. There is to be a Guide Rally in the Lakehead October 2nd, and girls could attend if transportation was volunteered.

The meeting closed with a delicious lunch served by the hostess. Mrs. Helen Brooks and Mrs. Margaret Simmer will take the October and November meetings and hold them in the Community Church Hall.

SOCIAL NEWS

The Ladies Auxiliary will hold their October meeting Monday evening at 8:15 in the Terrace Bay Community Church. Continuing their program on Canada, the Provinces of Quebec, Ontario and Manitoba will be covered at this meeting. All ladies cordially invited.

LIBERAL MEETING (Continued from Page 1)

Federal Election. All Terrace Bay Liberal supporters are urged to attend.

Joe Kennedy
Chairman Campaign Committee

COLORED TELEVISION (CONTINUED from Page 1)

While the technicians on Channel 6 are not yet fully acquainted with the new medium it promises to add much to the pleasure of television viewing.

Many of the current W.S. programs are now in color and latest reports from the C.B.C. are that in June next year experimental broadcasting in color will start with Labor weekend as the projected time for color to hit Canadian air waves.

The equipment needed by individual broadcasting stations is costly and it will be entirely up to them when they will venture into the new field.
