

CARD OF THANKS - I wish to express my thanks and sincere appreciation to the members of my congregation and the many friends in the community and also in Schreiber, who expressed their concern and good wishes in so many wonderful ways, both to myself and my wife. A very special word of thanks to our wonderful doctors, Dr. Uzicanin and Dr. McCausland and to Mrs. Buck and the entire staff of Terrace Bay Hospital. No one could have possibly had better treatment and brought along to good health again. This was my experience there. I expect to return to full duties in the very near future.

Rev. T. Garnett Husser./

CARD OF THANKS - Mr. Pat Syvitsky of Dresswell Cleaners wishes to thank everyone for the many kindnesses extended to him during the two weeks he has taken the place of the regular driver, Mr. Ken Himes.

ANOTHER TERRACE BAY FIRST

Just a word of sincere thanks to everybody who could have soaped our windows Hallowe'en...and had fun doing it... but did not. That's the first time in ten Hallowe'ens that we have been spared.

Usually we have to get chilled to the bone in the early hours of the morning after. It's rough cleaning soap (and sometimes dirty words) from store windows, in below freezing weather.

So, we're very grateful...and hopeful that next Hallowe'en will bring the same pleasant surprise.

COUNCIL QUOTES (Cont'd from P.1)
Centre will be budgeted for next year. Financing must be arranged in order that full approval of the Centennial Committee be given.

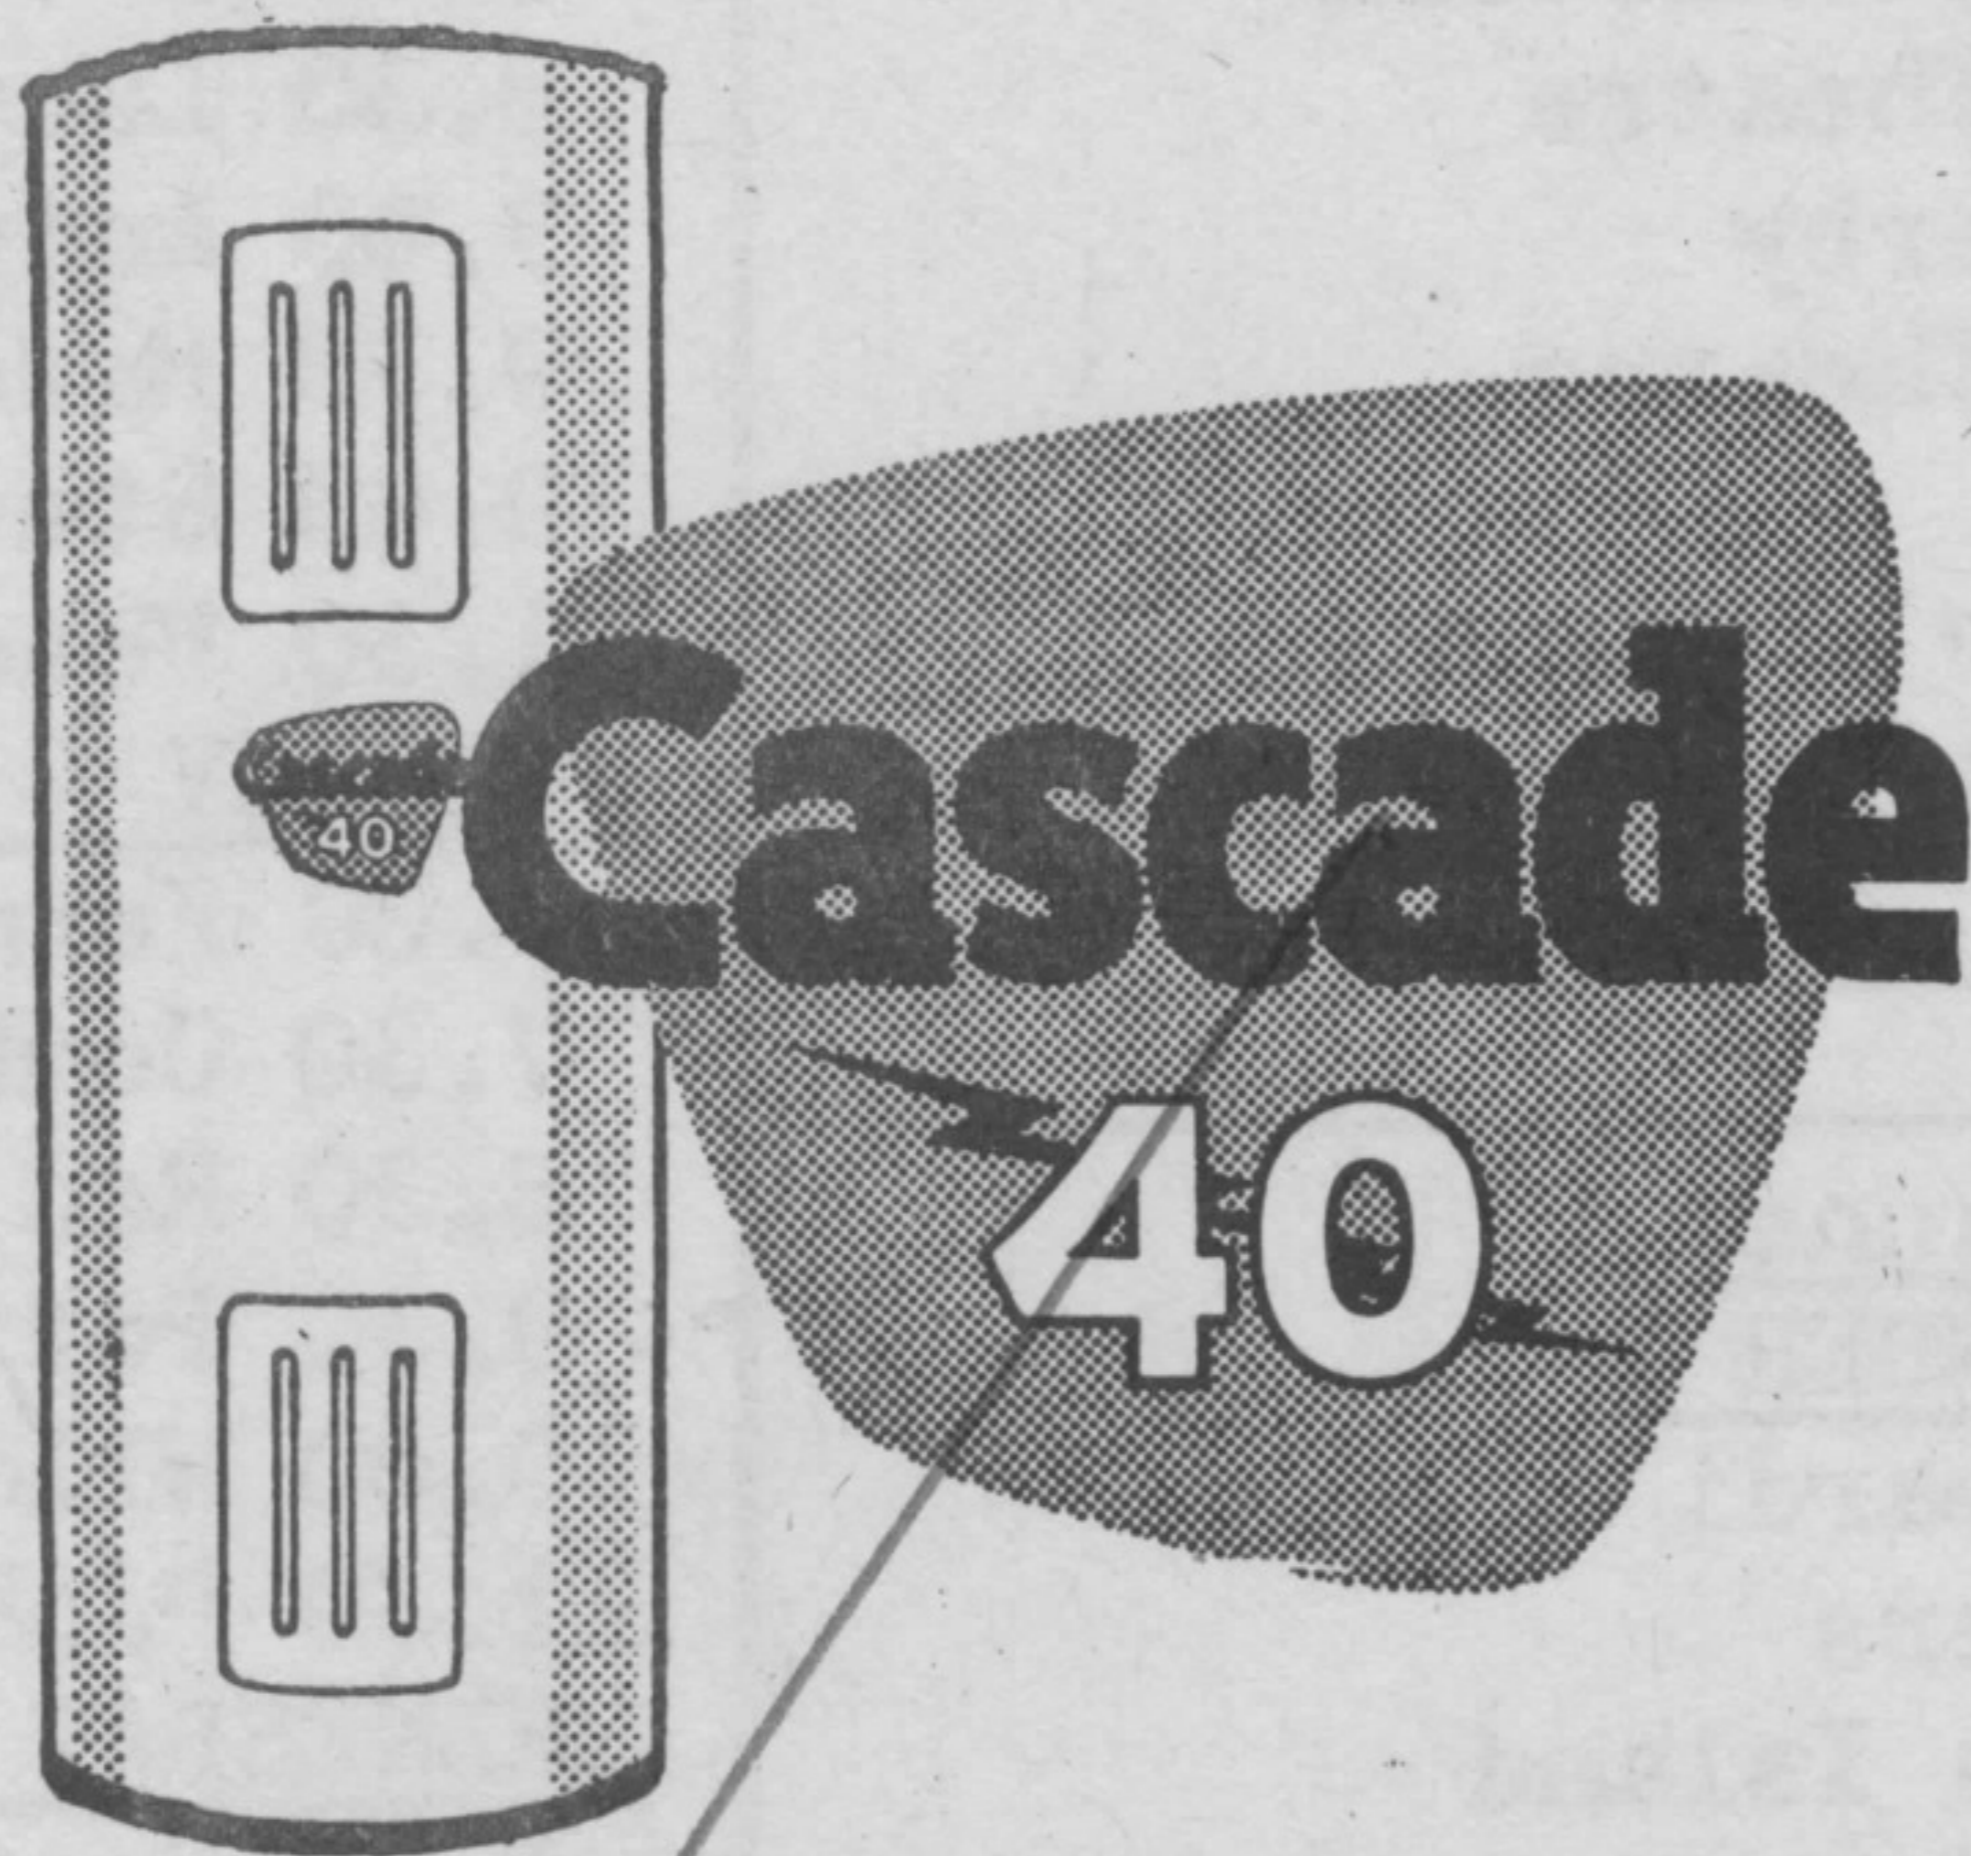

The Secretary was instructed to inform all township employees that half of their benefit plan will be paid by the township and half by the employees next year.

With a by-law to be prepared to change certain street signs, the Reeve instructed Councillor Brown to have a good look around town and determine if others were also needed.

Councillor Fraser presented a set of proposals from one member of the Fire Departments volunteers. These are to be studied until Council meets with members of the Department to discuss future policy.

Returning to the subject of the High-school Board, Reeve Adamo stated the original estimate of the school extension had jumped from \$150,000 to \$210 thousand and before this amount of the taxpayers money was taken he must be convinced first of the reasons why additional rooms were necessary in the highschool. Do you have to ration hot water on wash days and bath nights?

a Cascade 40 electric water heater can change all that.

Cascade 40 has two elements: a 1000-watt lower element for normal use, and a 3000-watt top element that surges into action at times of extra heavy use. That's why the Cascade 40 can supply more hot water than the average family is ever likely to use.

Cascade 40 is flameless, safe and clean. It requires no flue so it can be installed anywhere. The ten year guarantee on the tank is your assurance of Cascade 40's reliability.

With a Cascade 40, the cost of abundant hot water is low. For more information...
