**ARMISTICE DAY SERVICES IN THE SCHOOLS**

Pupils of Terrace Bay High School were addressed by Mr. Jack Kelty who said that although it was just a date in history to the students, to people of his generation, Armistice Day brought very poignant memories. Jim Mikus, President of the Students' Council, led in the service with Jill Crandlemire as pianist. "In Flanders Field" was read by Carole Gaudet and Mr. Fred Gould was bugler for the Last Post and Reveille.

Wednesday morning the Public School pupils held their service in the High School Auditorium when they were assisted by Rev. R.D. Muldrew and Very Rev. Dean E.A. Gallagher. Jill Crandlemire was pianist.

In the Separate School, Armistice Day services were held individually by teachers in each classroom.

Freda and John Knight motored to Timmins to attend the marriage of John's nephew, George Richens, and on to Toronto and St. Thomas to visit Ellen at Alma College and home by way of Duluth, Minn.

When you are having your car filled with gas at our tanks, why not drop in and have a cup of good, hot coffee on the house? It's cold outside, but there's a warm welcome inside!

**MEMBERSHIP TEA HELD**

The annual Membership Tea for the Catholic Girls' Club was held Sunday evening in St. Martin's Parish Hall presided over by the executive members shown in the photo. A short business meeting was held before the tea. The reports were read and the Spiritual Convenor, Lita Marie Boudreau, read a selection in St. Martin of Tours. A debate was suggested for the next November meeting and two teams of four were chosen.

After the meeting the girls were entertained with games of bingo and the Catholic Women's League served the prepared tea and dessert. At this time, President Diane Campbell presented a gift of appreciation to Mrs. Hugh Boudreau who was the past representative of the C.W.L. supervising for two years.

**AWARDS NIGHT -by Lance & Deborah Stewart**

A worthy purpose, patient energy for its accomplishment, a resoluteness undaunted by difficulties and then success. Our fifteen graduates, I am confident, have these qualities, and are assured of the success which they are constantly striving for. These young people have a long, hard road to walk along and this graduation marks the end of one phase of their journey. However, they are commencing yet another phase more challenging than the last and we, who will soon follow them, extend our best wishes to them for the future.

I wish to commend Roger Rajotte for expressing the feelings of the graduates so adequately.

The success of the occasion is due to the untiring efforts of our adequate teaching staff, the School Board and the student body.
