RECREATION BRIEFS - by Buck

The Kimberly-Clark Pulp and Paper Company is once again sponsoring the Children's Christmas Party. This has been an annual event for a good number of years and it is the intention of the Company to sponsor this event annually; however, some changes have been made in the programme for this year.

The party will be held at the Roxy Theatre on Saturday, December 18th. It will be split up into two sessions - the morning session will be for all pre-school children and children up to and including eight years of age. The activities planned for the morning will be -

1. Free Treats
2. Christmas Stockings.
3. Santa Claus and His Helpers.
4. Telephone messages from Santa Claus.
5. Cartoon Carnival featuring 8 comedy shorts.
6. Costumed Comic Characters will be in attendance.

The morning programme commences at 10 o'clock until 12 noon.

The afternoon session starts at 1:30 until 4:00 p.m. with the following programme:

1. Free Treats
2. A full length Disney feature.
3. Free Bingo with valuable prizes.

The afternoon session is only for children nine years to 14 years of age.

Parents are welcome to accompany their children.

YOUTH BOWLING

The registrations for youth bowling have been rather slow and we had anticipated a greater number of children bowling this season. The prices for bowling are quite reasonable and have been set at two games for twenty-five cents. Crests will be awarded to each bowler reaching his standard in his particular age group. There are also several youth bowling tournaments slated for this area. We will accept registrations up until Saturday, Dec. 11.

COMMERCIAL HOCKEY

Three teams have been organized for commercial house league hockey. They are as follows: Townsite - Mill Workers - High School. They will play two games per week, on Fridays and Wednesdays. The team managers are: Townsite - T. Costa; Mill Workers - Gordon Calder; High School - Bill LeMay. Players who would like to play on any one of these teams should contact the aforementioned managers as soon as possible. International ice hockey rules will be enforced and players must provide their own equipment. You do not necessarily need the complete set of equipment, just as long as you have skates and a hockey stick for the time being.
