

Season's Greetings

It is well that each year there is a pause in our busy round of activities (when finally all frantic preparations are completed) to reflect a bit on our blessings. I think this is particularly true in this town where there is so much going on that one can hardly buy a free night; we are pleased there is so much to do and that practically all of it is generated by the people themselves. We are proud of our contribution to all the major projects in the community this past year.

To those who are relative newcomers, this Company hopes that you will feel warmly welcome and that you will soon become an integral part of the community. We are proud of our employees and we hope our employees think well of Kimberly-Clark. To these people and to all employees and residents a Very Merry Christmas and a Safe and Prosperous New Year. (To all the boys and girls who say Hi, Mr. Ferrier! to me throughout the year a very special Merry Christmas!

John Ferrier,
Mill Manager.

A Bright
Christmas
