More Spent On Alcohol Than Drugs

OTTAWA (CP) — Canadians spend 12 times as much for alcohol and tobacco as they do for prescription drugs, says the Pharmaceutical Information Bureau in a press statement.

The bureau, speaking for 53 drug companies, says its members had sales of about \$200,000,000 in 1964. This works out to half a cent for every dollar Canadians spent for consumer goods and services.

Tobacco and alcohol amount to 12 cents, says the statement.
