QUALITY CHECKED BY INSPECTION

"To err is human." Even though our employees are fully experienced and use the latest equipment, the quality of their work is constantly being checked by a full-time Inspector. This is a full time job because she inspects around 3500 garments per week. She knows quality and inspects closely. You too can experience the assurance of such inspection by **PHONING SCHREIBER 155 FOR FREE PICK-UP AND DELIVERY.**
