WICKS' WEEK
—By BEN WICKS

"That reminds me! When does Parliament open?"

only
electric heating
can offer you
all these
advantages

unmatched cleanliness

Electric heating is flameless. There is no combustion to create dirt, dust, film, or soot. Windows, drapes, and walls all stay clean longer in electrically heated homes.

unmatched comfort

Electric heating offers room-by-room or zone temperature control. It is quiet, creates no draughts, no chilly spots—just gentle, even, constant warmth.

unmatched value

Electric heating is maintenance-free; it offers extra living space and can have a significant effect on the re-sale value of your home. Yet, with all its advantages, electric heating costs far less than you may think.

For more information about electric heating, consult a qualified electric heating contractor, or your Hydro.
