**DOWN**

- 1- Small number
- 2- Be in debt
- 3- Having whiskers
- 4- Residue

**CENTENNIAL PLANNING** (Continued from P.7)

Planning to provide technical advice, programme suggestions and organizational assistance to local folk arts planning groups.

It is recommended that every community establish its own desired form of a local folk arts committee to be responsible for and to conduct folk arts programming for the Ontario Centennial Celebrations.

There are Folk Arts Councils being established throughout Ontario and as they are formed the Council Chairman will be in touch with Centennial Chairman within his own specific region.

Mrs. A.H.H. (Jean) Malcolm, Geraldton, has been named East Thunder Bay district chairman of the Women's Centennial Activities Committee. Mrs. Malcolm will be one of four district chairmen working with Mrs. J. Robinson, Port Arthur, regional chairman of the committee.

**ANNUAL ICE FROLICS FEBRUARY 26TH & 27TH**

The Ice Frolics of 1966 will be presented at two performances--Saturday evening, February 26th and Sunday afternoon, February 27th.

Under the direction of Club Professional Ivy Pattison the skaters are hard at work perfecting their many routines and the ladies are busy on costumes to again present a colorful review. Miss Jennifer Wilkins has again consented to appear on the program and special intermission artists will be our favorite "Home Town Boy", Cosmo (Cont'd P.9)
