GOLF NOTES

Spring is really around the corner. The Terrace Bay Golf Committee held a meeting last Thursday with all members present. The agenda, besides the formation of this year's budget, included many projects which indicate another successful year with much progress in the way of facilities and conveniences.

The house purchased from the Department of Highways will be converted into a clubhouse containing washrooms, snack bar, pro shop and lounging quarters. The original clubhouse will be utilized for club storage. This convenience will undoubtedly be most appreciated by many members.

Despite rumors the membership fees will remain the same. To those who may wonder how long they can expect the present inexpensive fee, the executive would like to advise that such fee is possible due to the voluntary work done by the community and the invaluable assistance by the Kimberly-Clark Company. They also wish to promote the sport by making it economically possible for anyone to participate. A considerable sum will be spent this year in fertilizing and seeding all fairways and greens plus, we hope, a putting green adjacent to number one tee, facing the old clubhouse.

Now that the nine holes are completed and with instruction more available, encouragement will be given to increase participation by juniors and lady members.

A general meeting will shortly be announced for all ladies interested in forming a ladies' club. (see pages 2 and 4). At this meeting an election of officers will be held and thus set the way for an organized group to plan a much larger participation by the ladies during the coming summer.

At this time of the year most golfers begin to feel the itch to play and daily look forward to signs of spring.

To these and all other members we would like to say that your golf committee is putting forward every effort in careful planning to make this year in every way more enjoyable by a marked improvement in the course and the addition this year of facilities and conveniences which we had hoped to have installed best two years from now.

Memberships can be obtained now by contacting Dave Desrosiers.

I wish to thank everyone for their cards, best wishes, gifts and flowers which were sent to me during my stay in Terrace Bay Hospital. A special thanks to Rev. Muldrew, Rev. Husser, Rev. Inshaw, Father Cano and Mr. Lawrence for their visits. They were a great help. Special thanks to Dr. Searles, Dr. McCausland, Dr. Uzicanin and the nurses at the Hospital. I express my sincere appreciation to each one. Also, a thank you for everyone who kindly provided transportation for Mrs. Ridsdale. These things will never be forgotten.

A Breath of Prayer

A breath of prayer in the morning
Means a day of blessing sure;
A breath of prayer in the evening
Means a night of rest secure;
A breath of prayer in our weakness
Means the clasp of a Mighty Hand;
A breath of prayer when we're lonely
Means Someone to understand.
A breath of prayer in our doubtings
Assures us the Lord Knows Best;
A breath of prayer in our sorrows
Means comfort and peace and rest;
A breath of prayer in rejoicing
Gives joy and added delight.
For they that remember God's goodness
Go singing far into the night.
There's never a year nor a season
That prayer may not bless every hour,
And never a soul need be helpless
When linked with God's Infiinte power.
