Dry Cleaners to the North Shore

Colonel Oleg Pinkovskiy, Russian war hero, senior officer in Soviet Military intelligence, graduate of the Soviet Staff College and the missile academy, rocked the Soviet regime to its foundations by the effect of his voluntary spying for the West. Single handedly he sabotaged Khrushchev's threatened Berline show-down in 1961 and his information lay behind President Kennedy's successful defeat of the Soviet-Cuban missile threat in October 1962. Experts assess Pinkovskiy's achievement as the greatest intelligence coup of modern times.

CHAMBER OF COMMERCE DISCUSSES DAYLIGHT SAVING TIME

The question of Daylight Saving Time and its

effect on commerce in Terrace Bay was raised once again at the monthly meeting of the Chamber of Commerce on March 17th.

It was decided that President W. R. Bray should confer with Township Council in this regard.

Among other matters discussed it was recommended that a letter be sent to the Department of Highways regarding maintenance of the section of Highway No. 17 between Terrace Bay and Schreiber. A copy of this letter will also be sent to Hon. G. Wardrope, MPP for this district.

Centennial Committee chairman, W. E. Cavanaugh, requested suggestions for a town souvenir. He thought that something to illustrate the town's gem symbol would be fitting.

Approval was given for membership in the Ontario Chamber of Commerce on a one year trial basis. The local Chamber is already affiliated with both the Northwestern Ontario and (Continued page 5)

GOLF NEWS (Cont'd from P. 2)

There is considerable work to be done on the clubhouse and members are urged to volunteer some time in order to complete it before the season begins. Members should realize that the low membership fee is due to the voluntary work done at the course. Every effort is being made to construct a fine course with all the essential facilities but it's tough going when only a few turn out to help. Members interested in contributing a few hours work should contact Jack Phillips or Dave Desrosier. Dave has spent many, many hours working and he certainly deserves a lot of credit.

Formation of a ladies club will enable them to introduce many new activities this year. Golf widows can now take advantage of the adage "if you can't beat them--join them."

This year's proposed landscaping which will encompass the clubhouse and adjacent tee-offs and greens, will greatly enhance this area. A large amount of this year's budget will be spent on fertilizer to cover all the fairways and greens this spring.

Each year we have witnessed an extensive improvement to the course. This year should top them all.

Memberships are now available from Dave Desrosier. Members who, for various reasons, are unable to volunteer for any work can still contribute towards the general effort by buying their memberships now and thus bolster the finances necessary for the early expenditures.
