MONTREAL BAKERS PROMOTE EXPO

With Expo 67 all set to open its doors to an estimated 10 million visitors in one year's time -- April 28, 1967 -- a number of Montreal area bakers have introduced this novel way to promote the big Universal and International Exhibition. Pretty Louise Barre exhibits this beautifully-decorated cake, bearing replicas in colored icing of the passports to Man and his World, and a bilingual message urging buyers to save by shopping early and to use the passports as an ideal gift.

CHANGES MADE IN LEGION SCHOLARSHIP

Final donations were brought to the regular meeting of the Ladies Auxiliary to the Royal Canadian Legion, Branch 109, for their penny auction being held on April 15th in the Guild Hall.

There was a lengthy discussion on the annual scholarship awarded by the Auxiliary to highschool students. This has always been available for grade thirteen students but it was felt that, since some students leave from grade twelve for further schooling in other centres, the award should be open to them also. It was therefore agreed that this year the scholarship, upon application first from students, will be open to both grades; also, that it can be awarded to children other than those whose parents belong to the Legion. A committee comprised of Mesdames Joan Costall, Beverley Himes and Inez McCuaig will meet with E.E. Forgues, Principal of the school, to discuss the award.

Plans were made for the nineteenth anniversary party on May 21st to which other branches are invited. An invitation was received from Nipigon Auxiliary to attend their twentieth anniversary celebration.

Mesdames Earline Johnson, Ruth Hiller, Lil MacDonald, Joan Costall, Betty Luke, W. Ibey and Louella McCouan, volunteered to assist in the Tuberculosis survey.

Mrs. Betty Luke was received into membership by president Jeanette Gunter. Payment of yearly dues for Mrs. Annie LeBlanc and Mrs. Polly Bottomley was unanimously approved. A rummage sale was decided for late in May.

Word was received from Provincial Council that bars may now be secured to add to past president's pins after completing other terms of office. The letter also stated that transfer of Inter-provincial memberships will be brought up for decision at the Dominion convention.

A committee was appointed to provide the cold plate supper to be served after the dart tournament on April 16. Mrs. Louella McCouan volunteered to assist Mrs. Vi. Rigelsford with the Sick and Visiting committee.

May lunch hostesses will be Mesdames Kay Gellert, Margaret Handel, Dorothy Hewson and Ruth Hiller.

The Royal Canadian Legion, Branch 109 and its Ladies Auxiliary donated \$100 to Minor Hockey this winter and just recently donated \$100 to the Artificial Ice Fund.
