The Lakehead Milk Distributors' Association

wish to announce that

## Commencing May 1, 1966

All Milk and Dairy Products Sold On Retail Routes Will Be Purchased for

## Cash or Prepaid Tickets Only

We appreciate those consumers who over the last number of years, have paid cash for their purchases.

We suggest that in order to maintain the excellent service that has prevailed, that you purchase tokens from your salesman. Our union agreements read that milk shall be purchased on a cash basis only. Both bookkeeping and collection, which our salesmen are confronted with will be eliminated.

The above policy will be carried out without exception and under no conditions will any salesman have any choice but to conform. Your usual good co-operation and understanding is solicited in order to solve the present problem.
