T.B. CLINIC STARTS IN TERRACE BAY APRIL 29

EVERYONE SHOULD HAVE A T.B. TEST and the chance is here. Clinic Hours are - April 29th and May 2nd - 2 p.m. to 5 p.m. and 7 p.m. to 9 p.m. at the Recreation Centre. On May 4th the van will be at the Mill from 7 a.m. to 11 a.m. and from 3 p.m. to 5 p.m. It will be at the Recreation Centre the same day between 7 and 9 p.m. On May 5th it will be open from 2 to 5 p.m. and 7 to 9 p.m. in the evening - at the Rec. Centre.

The guest speaker at Tuesday's meeting of the T.B. Survey Committee was Dr. R.R. Uzicanin who spoke interestingly on Tuberculosis facts. It costs approximately \$30,000 to trace one case of active T.B. This arrives principally from the mass surveys carried out across Canada. At the beginning of the century there were 160 deaths for every 100,000. Today fewer than 5% contract the disease and in most cases early diagnosis results in its arrest or cure. All treatment for a patient is free of charge.

Following Dr. Uzicanin's talk canvassing material was distributed. Mrs. D. Bougie, census poll chairman, then presented Dr. Kill-All and his staff. The shadow play was acted by Marie-Claire Coupal, Susan Graham and Linda Ballentyne.
