SENIORS GRADUATE FROM C.G.I.T.

Members of the C.G.I.T., parents and leaders gathered in the Community Church on Sunday for a graduation ceremony. Four of the senior girls, Joanne Brown, Meredith Coe, Pat Dodge and Karen Lundberg are moving out into the wider life of the Church where, so their leaders hope, they will carry the Light of their C.G.I.T. training. In a moving ceremony the girls received their graduation pins and a red rose and were each handed a lighted candle to signify the light they now carry into the world.

The tapers were handed on by representatives of various Church groups. Mr. Verl Thompson from the Board of Stewards, Mr. J. Dejonghe of the Committee of Elders, Mr. Bert Lohr the Sunday School Superintendent and the President of the Ladies Auxiliary, Mrs. E. Brown.

As an integral part of the service a "Rededication Pledge" was made by each girl and five members received their white lanyards, identifying them as senior members. So honoured were Mary Clare Coupal, Susan Graham, Kristine Olsen, Donna Rafalant and Linda Ballentine.

A cheque was presented by the girls to Rev. Husser, which he accepted and dedicated to the work of the Christian Church through the Canadian Council of Churches, particularly in the famine stricken regions of India and to assist the refugees fleeing from Angola to the Congo.
