concert in Terrace Bay on Sunday, June 26th. Watch for further details.

OPERETTA HERE MAY 29TH

The Terrace Bay Recreation Association is sponsoring a children's Operetta on Sunday, May 29th, at 2 p.m. in the Terrace Bay High School Auditorium. This production is being presented by the Port Arthur Junior Music Makers. It is an operetta in two acts by Victor Herbert, called **THE FORTUNE-TELLER**. It is being directed by Mrs. Gwen Tryhurn of Port Arthur.

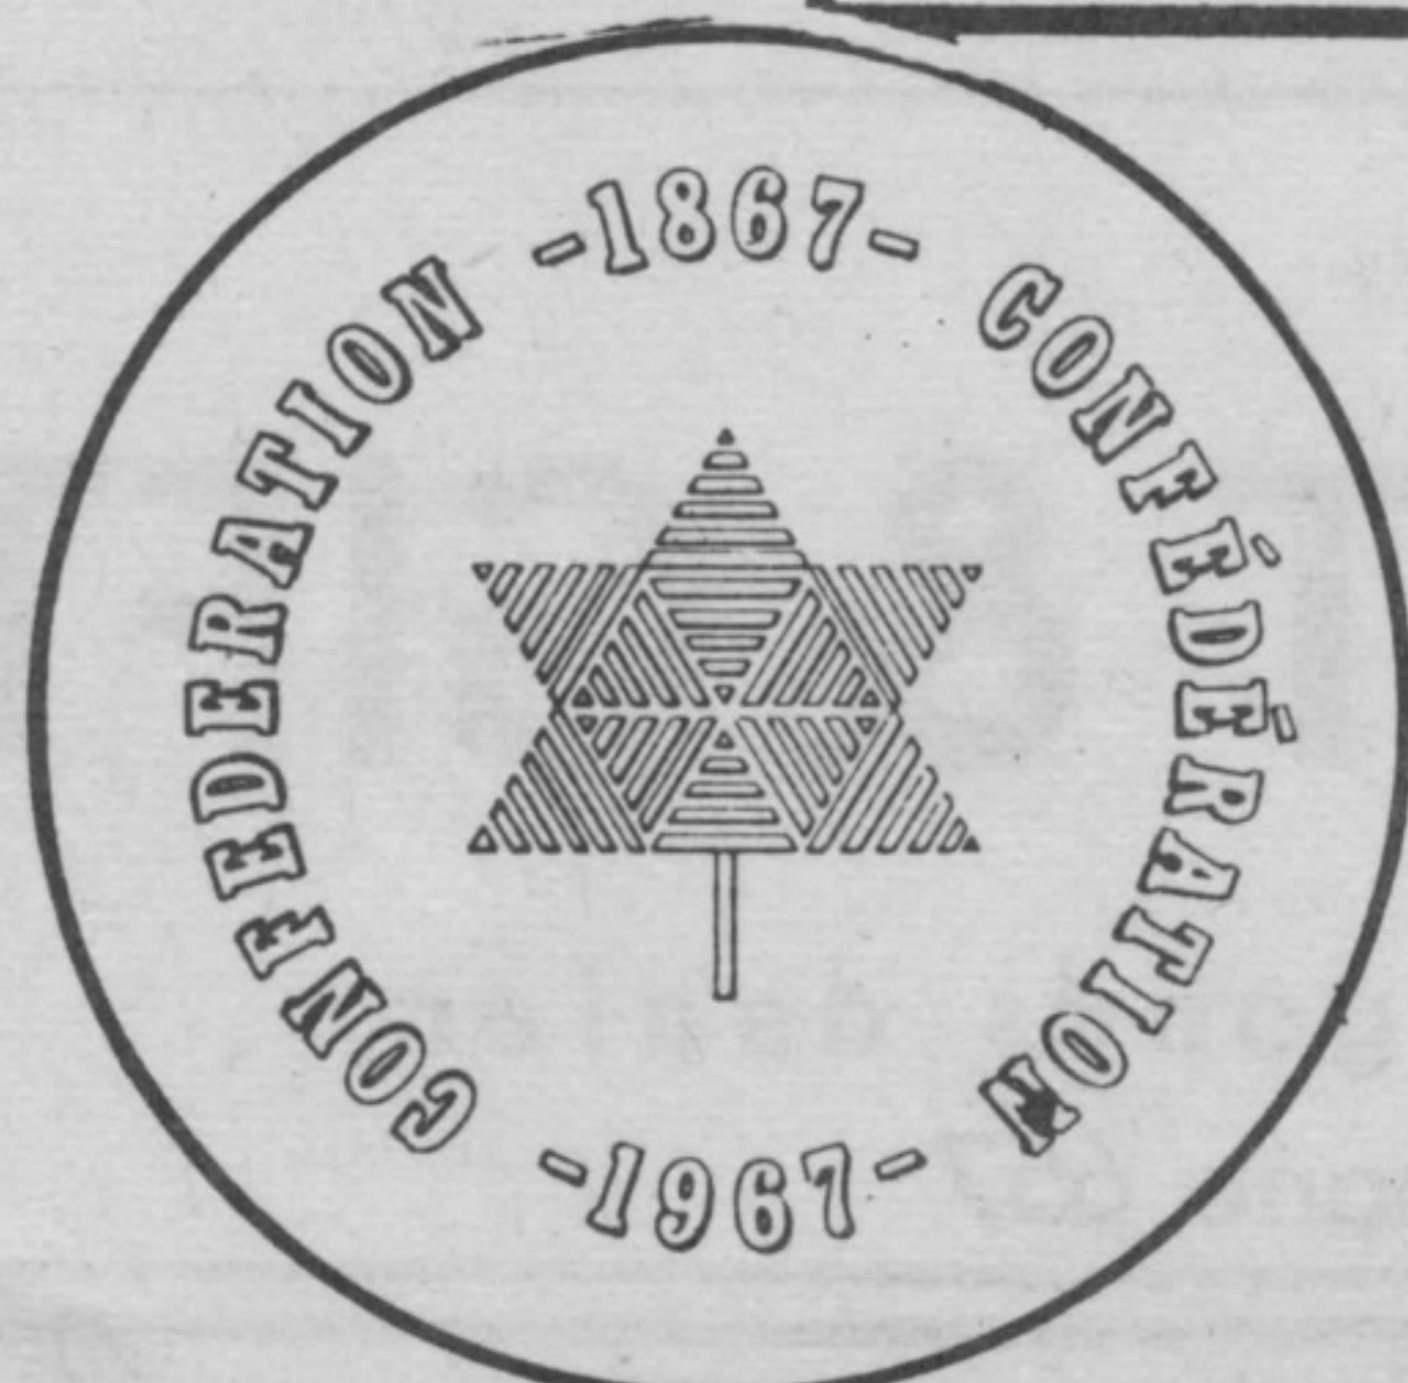

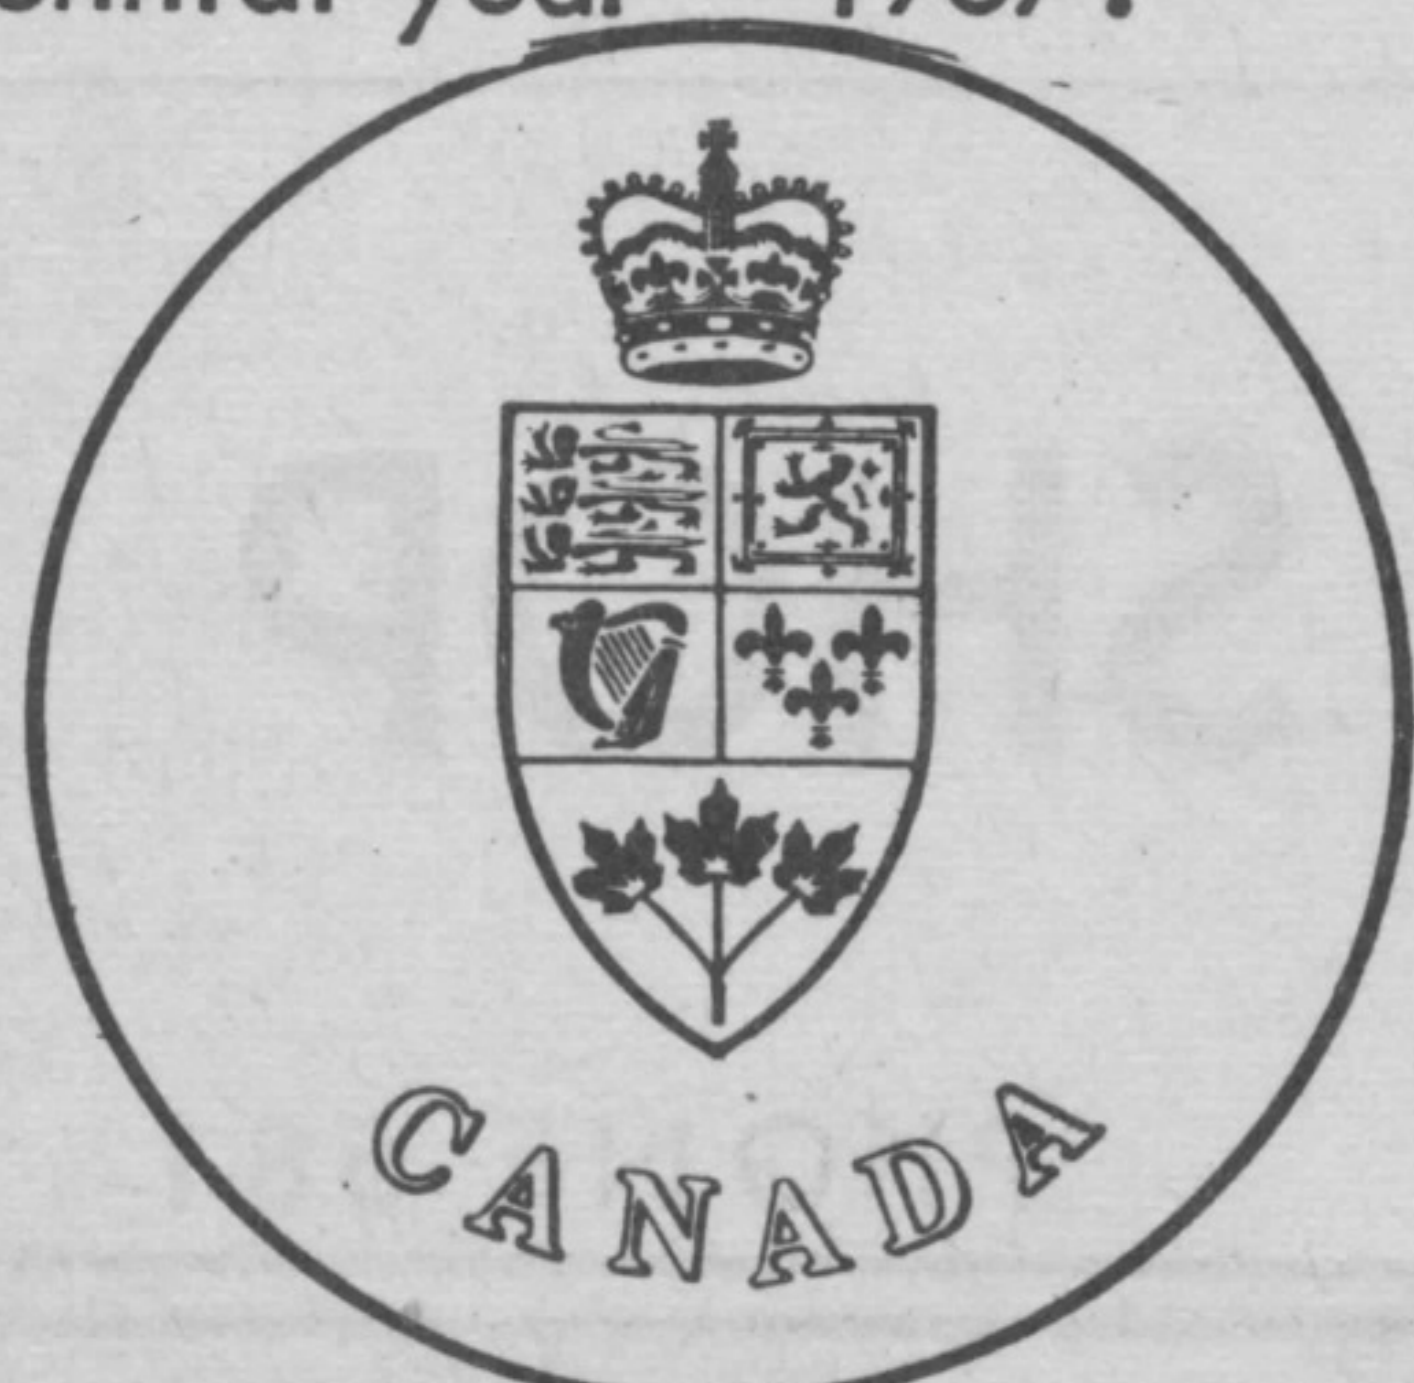

The Port Arthur Music Makers and their parents are very active these days preparing for this operetta for presentation in Terrace Bay. This delightful and amusing musical is the second operetta to be undertaken by this group since its formation in November, 1965.

Just to look into the practice studio during a rehearsal is an entertaining and interesting experience. You should hear music, singing, dancing feet and dialogue. You would see ballet dances, Russian Hussars and Gypsies learning dance routines. At the same time, groups are being coached in dialogue while others practise solos and choruses from the operetta.

The cast, which ranges in age from five year olds to teenagers, are starting to feel the excitement as they work together under music, drama and dance directors. A cast of 50 young children will perform on the stage.

This will be the first time that Terrace Bay has had a children's theatre group perform here and it promises to be a most entertaining and delightful presentation. Tickets for this production can be obtained from the Recreation Office. Prices will be - adults 75¢ - students 50¢ and children 30¢.

ANNOUNCEMENT

Bert Lohr of Lakeshore Community Television Limited, announces with regret that Kurt Lerner, a valued employee on his staff, will leave Terrace Bay next week. This reduction in staff necessitates curtailment of radio and television servicing for the summer months. **ONE DAY A WEEK ONLY (SATURDAY), WILL BE RESERVED FOR THIS KIND OF WORK.**

Summer schedules will be primarily occupied with cable renovations.

A concerted effort will be made during July and August to ready our cable to insure the very best color reception when it is introduced in the Fall.

Kurt Lerner moves to North Bay where he will assume the position of Field Engineer with I.B.M., Computer Division.

GOLF NEWS

In the elections held at the local Golf Club's annual meeting Thor Olsen succeeded Jack Thomas as president. The interior of the Club House is now completed and it is indeed very comfortable and eye pleasing. The washrooms are now under construction and should be in operation very shortly.

The golf course was officially opened last week and judging by the large numbers who turned out and the large increase to date of members this year, the season should be a busy one.

With completion of the landscaping around the clubhouse we will have, without a doubt, the finest and most scenic golf course in Northern Ontario.

Those who have given freely of their time deserve a lot of credit for a terrific job and I'm sure must be pleased with the results.

Our gratitude to Kimberly-Clark for their assistance is of course without bounds.

This year's first tournament will be held on June 11th and sponsored by Carling's. Details of this event will be published in the next two weeks.

Since this will be a handicap tournament everyone will have a chance to win - so join the fun.

Father's lament: "I couldn't take it any longer so I finally washed all the make-up off my teenage daughter's face and pushed back all that hair-- and so help me, I've been bringing up somebody else's kid."
