KIMBERLY-CLARK PULP & PAPER COMPANY LTD. UNIVERSITY SCHOLARSHIP

Qualified students who are bona-fide residents of Terrace Bay or who are dependents of Kimberly-Clark employees living outside of Terrace Bay are reminded that they may apply for the \$2,000 Scholarship awarded annually by the Company.

To be considered a candidate for the scholarship a student must have obtained an average of at least 73% in the Grade 13 examinations conducted by the Department of Education of Ontario. Applications in writing must be made to the Mill Manager within one week of the publication of the results of these examinations.

For full details contact the Industrial Relations Department at the Mill.

COUNCIL QUOTES

Copies of a resolution regarding the proposed home for the aged will be sent to the premier of Ontario, the ministers of Welfare and Municipal Affairs, the Liberal and NDP leaders, other municipalities concerned and to the Board of Directors of the Home for the Aged.

The resolution brings up the question of the municipalities where a by-law has been passed providing for construction of a Home for the Aged. It further states that the request for payment within thirty days is unfair to the ratepayers and impossible to meet without putting the municipality in an untenable position financially. Where the by-law makes provision for only a single Home it would be beyond the powers of the Board of Directors to demand further contributions towards the construction of subsequent Homes.

It was with regret that Council accepted the resignation of Frank Strutt who has served faithfully as Clerk-Treasurer for many years. The appointment of Bill Hanley as his successor was approved. The appointment of Mrs.M.Simmer as full-time clerk-stenographer was also passed.

Third reading was given to a by-law concerning accumulative sick leave and first, and second readings were given to the rates by-law for 1966, authorizing the collection of taxes from ratepayers.

A letter was read from Mr.J.Ferrier regarding the Recreation Centre. He asked that it be borne in mind that service to the townspeople must be considered ahead of that to tourists.

Police and Fire Department reports showed only two minor grass fires during May, both apparently caused by children, but involving no property damage or loss. A request was made (Continued page 9)

A Commission, headed by R.R.Steel, area superintendent for Northwestern Ontario, with G.R. Allan, area superintendent for Central Northern Ontario and A.H.Dalzell, assistant superintendent from the Department of Education, Toronto, met with the high school boards, township councils and others in both Terrace Bay and Schreiber and presented a proposal which met with unanimous and enthusiastic support.

Provision is made in the proposed program to meet the educational needs of every child in the district.

Spokesman for the Commission, Mr.Steel said that they were very impressed by the co-operation given by everyone and with the very evident and sincere interest displayed by all concerned in providing the very best education for children in the district.

Disposition of the existing high school building in Terrace Bay will be negotiated with the boards of the two elementary schools.
