HIGH SCHOOL PETITION ACKNOWLEDGED

Two letters have recently been received in reply to the petition that was sent to the Hon. William G. Davis, Minister of Education, on the cancelling of the High School expansion program. The letters follow:-

"The Honourable the Minister of Education has noted your letter of June 10, 1966, and the attached petition, and has asked me to acknowledge them with thanks. At the same time I wish to acknowledge the copies sent to me."

"We regret that the delay for one year in the proposed addition to Terrace Bay High School has caused concern to parents, but we hope that, after the assessment of the educational needs of the area has been made, the best possible solution for the girls and boys of Terrace Bay will be suggested."

"The three Department of Education officials who will be studying the situation in the near future have been made aware of your petition."

(Signed) H.E. Elborn,
Assistant Deputy Minister of Education.

"This will acknowledge your letter of June 13th, together with Petition regarding the Terrace Bay High School expansion programme."

"I will take this matter up with the Minister of Education."

(Signed) G. C. Wardrope,
Minister,
Department of Mines.

Five hundred and eighty-four Terrace Bay resi-

dents signed the petition sent to Dr. Davis.
