Mill Manager, J.Ferrier, presents trophy to Vic Timpano

V.TIMPANO THIS YEAR'S CHAMPION

Under cloudless skies, on a perfect day for golf or any other summer sport, forty-seven members of the Aguasabon Golf Club lined up at 8 a.m. preparatory to teeing off in the season's big competition - club champion and winner of the coveted Kimber-Clark Pulp and Paper Company trophy.

Entrants played a grueling twenty-seven holes under a handicap system which gives all an equal chance to win and as cards were turned in at the end of each nine holes of play the lead see-sawed between several golfers.

EXPO '67 - SAFETY CONTEST

Details of the new Mill safety promotion "Expo '67" are being worked out and will be published when finalized.

In the meantime, Kimberly-Clark employees should bear in mind that some lucky couple can win an expense-paid trip to EXPO '67 in Montreal next year if the mill accident rate is cut in half.

Over and above the "Grand Award" preliminary plans call for weekly award draws beginning in August, and monthly draws beginning in September.
