CENTENNIAL CARAVAN HERE NEXT YEAR

The first of eight Confederation Caravans that will bring historical exhibits to about 700 cities, towns and villages across Canada during Centennial Year has passed its initial trial run with flying colors.

Number four of the eight Confederation Caravans will start out on May 1st and will reach Terrace Bay on Saturday, October 7th next year.

Total exhibition area to be covered by a full caravan, when in quadrangle position on a given site, will be about 40,000 square feet. This will permit the public to pass through the exhibit trailers in sequence. The centre quad will contain regional exhibits and a small platform in the

A TRIP FOR TWO TO EXPO '67

A trip for two to Expo '67 is the GRAND AWARD in a new Kimberly-Clark Safety Contest. WEEKLY and MONTHLY PRIZES TOO!

The Grand Award will be made if we equal or better our average disabling injury rate for the past five years during the next twelve months, ending June 30, 1967.

Each month we work without a disabling injury every Kimberly-Clark employee's name goes into a drum.

Hourly employees can earn a bonus of eight extra chances every four months if their department cuts in half their average accident rate for the past five years, based on a serious injury in-
