

FISH CHATTER!

Hi Leroy, things are really booming on the Derby. The Kingfish says thanks to the biggest little printing plant in N^oWestern Ontario. Just think, over 12,000 pieces of printing in three weeks besides all their other work. Do you really mean all those folders,

books, cards and tickets were all distributed in three weeks to Chicago and all these big places? Yep Leroy, that's right. Those people at the News Printing Plant can really lay it on. They're just dynamic Leroy--just dynamic!

By the way, the winners last week were Mr.Wm.Anangove of Fort William with a 2 lb.13 oz'er \$100 - Geo.Chorney of Terrace Bay - 2 lbs. 8 oz - \$50 and Mrs.Rita Ray of Chippewa Falls, Wisc. won a Coleman Camp Steve donated by Canada Tire and Les Clarke of Nipigon with a 2 lb.7 oz trout.

PRIME MINISTER OF ONTARIO EXTENDS GOOD WISHES TO ROSSPORT DERBY

Toronto - July 14.

"I am very pleased to extend, on behalf of the people and Government of Ontario, greetings and good wishes to everyone participating in the 1966 Rossport Fish Derby."

"There is no need to elaborate on the importance of tourism and outdoor recreation to the continued social and economic well-being of this Province and nation. Ontario's interest and concern is clearly indicated by the activities of many Government Departments, particularly Lands and Forests, Tourism and Information, Highways and Energy and Resources Management. We are especially pleased to be major participants in the program to rehabilitate the lake trout in Lake Superior."

"Indicative of the success of this program is the fact that this year's Rossport Derby has reverted to lake trout only, a feature that would have been impossible a few years ago."

"I am confident of the success of the 1966 Rossport Fish Derby and wish you further success in the years ahead."

(Signed) John P.Roberts,
Prime Minister of Ontario.
