

RECREATION BRIEFS

On Wednesday, August 31, at 2:00 p.m., the Terrace Bay Recreation Association will have the grand finale for the year for the Water Safety Programme. This event is called a Water Carnival and will feature the following: water hockey, rescue demonstration, tug-o-war, diving demonstration, canoe racing, barrel race, log rolling, lighted candle relay and two special events will be the presentation of swim awards and the much-coveted Duriez Trophy.

Everyone is welcome to attend. There will be a small admission charge.

FALL FESTIVAL AND FISH DERBY

In a few short hours Terrace Bay will see one of the largest events ever staged here. Some people do not realize how large an undertaking this is and we believe they have a surprise in store for them as the programme activities unfold. For your one dollar admission fee nowhere else will you receive as much value.

There have been some changes in the programme, the first one being that there will be a parade on
continued page 8..
