

MISS CANADA (Continued from page 4)
ceremony of Terrace Bay's first "Queen Mermaid." Her charming appearance attracted much admiration as she spoke a few words to the capacity crowd.

A delightful incident took place when she accepted a bouquet from little Miss Kennedy of Terrace Bay and immediately broke off one bloom and thrilled the little girl by giving it to her--tangible souvenir of an exciting moment.

The teenagers were delighted when Miss Canada made an appearance at their dance in the Moose Hall under sponsorship of Bob Spadoni of Schreiber. There she threw her bouquet into the wildly enthusiastic crowd.

On Sunday morning she drove around town accompanied by Mrs. B. Matiwsky and Mrs. R. Sinotte. They visited the golf course, mill, dam and the dump--although the bears remained out of sight at

the latter spot on the bright sunny morning.

The official goodbye took place outside the Motor Hotel where Miss Canada had been staying. Mr. and Mrs. R. Sinotte drove the lovely visitor to the Lakehead where she took a plane home to Burlington. She expressed appreciation of the hospitality she received and sincerely hoped that she might be able to return for a longer period some time in the future.

In addition, as an experiment, the University will try taping the lectures of some courses and send them out to centres that are too small for normal services or to larger centres where there is need of some special course in Arts. The minimum for these courses would be ten students and it would be up to the local community to organize the course group and to petition the University to supply the tapes. If it is possible to arrange for the course to be taped and an instructor can be supplied, formal applications with fees will be requested. An instructor will be sent out once a month to meet with the group and to discuss essays and program with individuals.

Please contact your local representative for information on admissions, registration fees and what courses are being offered.

LOCAL REPRESENTATIVE - - Mr. D. MacLeod, Canadian Imperial Bank of Commerce, Terrace Bay, Ont.

CARD OF THANKS -

Mrs. Gretchen Smith sincerely thanks all her friends and relatives who sent cards, flowers and visited her while in the hospital in Port Arthur. Also, a special thanks to Doctors Searles, Gooding and Bull, nurses and staff of 4th West for the care given.
