CENTENNIAL CHAIRMAN'S MESSAGE

Now that the holiday season is over your committee intends to make a special effort, for the remaining three months before our Centennial celebrations begin on January 1st, 1967, to co-ordinate our program of events for the year ahead.

We sincerely trust that every organization in town will be planning at least one special event to help celebrate our one hundredth birthday and to this end I will be available to any executive body for suggestions or advice.

I must take this opportunity to congratulate our citizens for the neat and well kept homes, lawns and gardens over the past summer but in so doing I would be remiss in my duty if I did not make a special appeal to those very few occupants of homes which still spoil the beauty of a neighborhood to please improve the appearance of your property for next year.

We will be holding regular monthly meetings beginning Tuesday, September 27th at 7.30 P.M. in the Recreation Centre, for which notices will be sent out, but if any organization should be missed please come and let us know.

Interested citizens are always welcome to attend. May I add that now is the time to procure your flags, pennants or bunting for decorations.

Ed. Cavanaugh.

A card party will be held in St. Martin's Parish Hall on September 28th at 8.30 p.m. Everyone is cordially invited to attend. Winner of the door prize does not have to be present.
