AN OUTSTANDING SCORE!

Bowling is one activity very seldom getting any mention of outstanding feats. When a baseball pitcher pitches a no hitter - a golfer gets a hole in one - or a goalkeeper scores a shutout - they all receive wide acclaim.

Only last week, Louis St.Louis (who can be regarded as one of Terrace Bay's better bowlers) very unnoticeably walked into the bowling alley and played three games. After his games, he handed in his bowling sheets, paid his bowling rates and then walked out. Upon checking his scores, we find that one was 430 - and this was a near perfect game.

We offer our congratulations to Lou - and hope that he keeps up this excellent bowling.

This may be an indication that it is possible for bowlers to obtain high scores on our new bowling alleys.
